REMINDERS

Communication to Students

I would like to remind parents to make after school arrangements with your child before they come to school. Our office staff are happy to help in an emergency yet we are receiving messages to forward to children that do not fall into this category. We are concerned with the volume of messages we are receiving and can't always guarantee that the messages will be passed on during the day. Classes are often spread over the school site and if they are in class we aim to minimise the disruption to student learning.

Collecting students

Parents are asked to call in at the office if they are collecting children during the day. This is for the safety of our students when they are in our care at school.

All children need to be collected at 3pm or be in GASP Care. There is no supervision of the playgrounds after 3pm.
