Glenholme School Talent Quest

Where?

- Glenholme School Hall

When?

- Friday 30th June at 1pm
- Parents and whanau are welcome to attend the finals.
- Good luck to all our talented contestants.

STUDENT HEALTH AND WELL BEING

Currently the school has a lengthy list of illness's that are rampant throughout the school. Many of which are highly contagious.

- School sores
- Head lice
- Stomach Bugs and Vomiting
- Colds and Flu

We would like to encourage parents and whanau to see that your child/ren are seen by a medical professional immediately and treated before returning to school. If your child/ren and whanau are heavily impacted by illness this winter please ensure that they are medicated (if necessary) and well before returning to school, as this will avoid spreading the illness to peers and staff. Please ensure that you request a medical certificate for the school and present it to the teacher when they return. The Ministry of Education requires medical certificates for more than 3 days absent from school regarding illness.

F.O.T.S. Pool Party for Year 4/5/6

Friends of the School committee are planning a Pool Party at the Aquatic Centre on Tuesday 27th June 6pm—7.30pm. We would like to hold this event but need parent helpers for the supervision of Year 4/5/6 students—as any younger students require parents/caregivers to be actively swimming with their children (as per Aquatic Centre regulations) Please phone 3481489 or email the school office on office@glenholme.school.nz if you are able to help. If we do not get the helpers unfortunately this activity will not happen.

There is NO miniball this Friday

Free Health Care for Glenholme School Students

- There is a free nurse available for Glenholme School children who have sore throats or skin infections like school sores, nits and scabies.
- The nurse will be available from 11am to 12.30 Wednesdays at Glenholme School. **It is free to see the nurse and medicine will be provided.**
- There is a new nurse service to prevent rheumatic fever in our school. Rheumatic Fever damages children's hearts.
- Children and young people aged between 4 and 19 with sore throats or skin infections can also use the free clinic - to see the nurse, please go to Western Heights Health Centre in the afternoon between 3 and 6 pm Monday to Thursday or 3 and 5 pm Friday, or call 3470565, txt 0224847628 (022 4throat).
- It is free to see the nurse and medicine will be provided. Children seen by the nurse stay registered with their usual GP.
- Please get sore throats treated and protect children's hearts.

Medication At School

Students needing to have medication administered at school are required to sign a Prescribed Medication Procedure form at the school office before any medication can be given to students. It is preferable if students need to have medication given 3 times a day, to be given by the parent/caregivers morning, afterschool and night time. But if needed to be taken at school, it is also helpful if caregivers have the medicated dose supplied in a syringe to be given to the office staff. This eliminates any human errors/or wrong doses given to the students.

Naming School Uniform

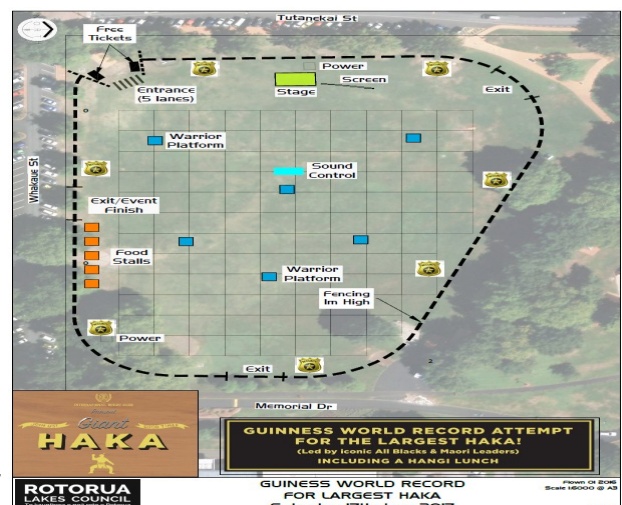

Parents please check that your child's name is visible on their school uniform. We have noted that recent school uniform items that have been in the lost property have either not been named at all or the name is now unreadable. Over a period or time the ink has slowly washed off and is now impossible to decipher.

Guinness World Record Attempt: Haka

There will be an attempt to set a Guinness World Record for the largest Haka. This will take place on the Village Green at 1pm Saturday 17th June. All Rotorua students and their whanau are encouraged to attend.

Early Morning Arrivals

There is growing concern about the number of children that are arriving to school between 7.30-8am. This is an unsafe practice. Children are in a position (where at this time of the morning) there is no-one in the school grounds to ensure their personal safety.

Cross Country Friday

Congratulations to all the students who participated in the School Cross Country on Wednesday 7th June. The students commitment and enthusiasm was outstanding, the behaviour was excellent and the course was first rate. We had a fantastic morning at the Tree Trust. Special thanks to Whaea Puarito who organised the successful event with the support of staff, parents and whanau.
