## Glenholme School F.O.T.S. Spelling Bee 2017

- Help your child while supporting your school's fundraising.
- The test will be on Friday 4th August 2017—Term 3
- Spelling Bee Sheets will go home 26th June 2017—Term 2
- Encourage your child to learn and practise, practise, practise!
- Every child who returns their named sponsorship card and money will be entered into the draw.

## Early Morning Arrivals

There is growing concern about the number of children that are arriving to school between 7.30-8am. This is an unsafe practice. Children are in a position (where at this time of the morning) there is no-one in the school grounds to ensure their personal safety.

## Correct School Uniform

- Please come straight to the office if you do not have correct school uniform
- Even if you have a note explaining the circumstances
- **You will be given uniform items to wear for the day**
- Shoes are to be **black**.

Student can wear non uniform jackets and rain coats and hats to and from school but they must remove these once they are on school grounds.

## Naming School Uniform

Parents please check that your child's name is visible on their school uniform. We have noted that recent school uniform items that have been in the lost property have been named but now the name is unreadable. Over a period or time the ink has slowly washed off and is now impossible to decipher.

## Parking

Please be mindful of the safety of the students when you are driving to school.

A reminder to parents and caregivers who are dropping off or picking up children you need to park on the road on either Miller Street or Ranolf Street.

Please also use the pedestrian crossing when you are crossing the road, this is a good example to the children.

**The car park in the school grounds is for Staff parking.**

## Head Lice

Head lice is a common yet unfortunate ailment for children; however left untreated it can cause huge concerns for the child, parents, class and the school.

Glenholme School would appreciate if all parents/caregivers would check your child's hair and if necessary take appropriate steps to treat any head lice.

If your child has head lice please do not send them back to school until they have been treated. Untreated children may be referred to the Public Health Nurse to avoid continual re-infestation of class members.

Please report any new cases to your child's teacher, as we will endeavor to notify parents.

Please be vigilant and remember we need parents to be pro-active for at least two weeks to break the head lice life cycle.
