**Academic Achievement Discussions**

75% attendance rate at the Academic Achievement Discussions this term. The awesome turn out (considering the weather) demonstrates the value parents and whanau place on this opportunity to discuss students progress and achievement. Thank you very much!

**Early Morning Arrivals**

There is growing concern about the number of children that are arriving to school between 7.30-8am. This is an unsafe practice. Students are in a position (where at this time of the morning) there is no-one in the school grounds to ensure their personal safety.

**Spelling Bee**

Wow! Well done to all students and whanau who have supported our 2017 super Spelling Bee. Students have made great progress in their learning of some very tricky words, many up to 50 words in their lists.

We have over 30 spot prizes to give away with support from our local community. There is a draw for sponsorship and donations, another for 100% achievements and a prize for the most money earned. We will list the prizes next week. So make sure you now collect in all of your sponsorship and bring it in to the office for Whaea Min.

I am now looking for students who would like to enter the Rotorua Spelling Bee with More FM. You have to have achieved over 95% in the Glenholme one to be eligible.

Bee happy from the FOTS team.

## **Enrolment Scheme**

In order to avoid overcrowding or the likelihood of overcrowding, the board of trustees have been in discussions with the Ministry of Education regarding adopting an enrolment scheme at Glenholme School. This process requires the board of trustees to consult with the Glenholme School community.

The board of trustees would like to host an information evening and possibly a parent/ whanau survey in term three. Please refer to Coming School Events on the back page of the school newsletter for more information, times, dates and venue.

## **Opening of A4 New Entrant Class**

Due to increase new entrant numbers Glenholme School will be opening another class, A4. We are expecting the class to fill up towards the end of the year. The class will open on 4th September and Miss Palmer will be the classroom teacher. Until then Whaea Shari will host Pre-School class in A4 on Wednesday afternoons.

## **Property Project Developments**

B Block will be undertaking an number of projects in the very near future. Starting with a veranda being built along the entire deck area.

Thereafter bi-fold doors along the front of the classrooms will be installed, from B1—B5.

Classes have been asked to expect future disruptions.

During installation of bi-fold doors classes will be temporarily located in the Library. This will effect only one class at a time.

In the Christmas holidays all of B Block classrooms will have the interiors upgraded with new learning spaces developed, new wall treatments, carpet, storage and wet areas. This will provide Tihi-o-tonga with opportunities to utilise the modern learning environments.

This will be a series of massive projects and we have every intention to have them completed prior to the start of the 2018 school year. However the school community will be kept informed as to the progress of the development closer to the time.

## **BOP 7s Tournament**

Good luck to the 10 Year 5/6 students that are representing Glenholme School at the Tournament next Tuesday.
