Welcome back to all of our children and families.

We also welcome a number of new families to our school. Every class at Glenholme School has a busy and exciting term ahead of them.

SunSmart for 2017

It's October already, the spring blossoms are out and before you know it, it will be summer!

From October through to end of April, between 10am to 4pm when the sun's ultraviolet (UV) rays are most intense, Glenholme School will be working very hard to ensure that children under their care are protected from dangerous UV rays. You can support Glenholme School by:

- Providing your child/children with a School hat that will offer protection to the neck, ears and face to slap on at school when outside between 10am and 4pm. They have been scientifically proven to provide adequate sun protection.
- Students must wear sunhats in Term Four when they are outside. Restricted play will be enforced for students without a sunhat. Reminder that all parents and whanau signed an agreement on enrolment regarding the Glenholme School Uniform Policy. This policy clearly states that the official School Sun Hat must be worn as the brim provides cover for the neck, ears, nose and face. The School Sun Hat can be purchased at NZ Uniforms retail shop or online.
- You can wear a SunSmart hat yourself as children like to copy you.
- Your child will be encouraged to slop on SPF30+ broad spectrum sunscreen on any skin not covered by clothes. Should you wish, you may opt to supply a labelled bottle with your child/children's name which can be kept at the school.
- Remember nearly 80% of lifetime sun exposure happens before the age of 18, so it's important to make sun protection a life-long habit, starting as young as possible.

Greets and Grans Morning

This is the first of many exciting events happening this term. On Friday 20th October Glenholme School classrooms are open in the morning to all our fantastic Grandparents. The students will send invitations out to respective family members inviting them into their classrooms in the morning to see them in action and to show case Glenholme School, and their hard work. The staff and students are looking forward to hosting all of our visitors tomorrow morning.

Five Year Old New Entrant Pre-Enrolments for 2018

Glenholme School welcomes new arrivals to the school. We would like to encourage parents to contact Sarah Thompson (Deputy Principal) to confirm future student enrolments. To help determine future staffing and classroom placements it is vital that the school has as much information as possible about future enrolments. Enrolment forms are available at the school office or you can contact Sarah Thompson Deputy Principal 348-1489 ext 203 or email sthompson@glenholme.school.nz

- **Parental Request Forms for 2018 Placements** are available from the school office.
- We invite parents to comment on the child's learning needs, special interests or abilities and other aspects regarding their placement for 2018.
