Welcome Back to 2018

Nau mai haere mai. Welcome to Glenholme School. Glenholme School is one of Rotorua's longest established schools, with a loyal and committed community support network. Glenholme School has a strong reputation for being a friendly, supportive environment, while meeting the needs of our diverse students.

School Vision Statement:

Glenholme School provides our tamariki with the skills, will and thrill to become assessment capable learners

School's Purpose Statement:

***Glenholme School's educative purpose is to:
Cause learning
Serve each learner***

Developing each learner holistically is critical in creating curious tamariki who think and relate well to others. There are overarching principles that Glenholme School believes are important for each individual to acquire during their Glenholme years.

Cause learning

- high expectations of success and a desire to achieve success
- assessment capable learners
- shared language of learning
- learning dispositions
- learning processes
- strong personal connections between students and adults

Serve each learner

- learning is visible
- teachers and school leaders are inspired and passionate
- teachers and school leaders are fundamentally evaluators of our practice
- teachers and school leaders who see learning through the eyes of students
- teachers and school leaders with visible learning mindframes

We have a successful values programme based around the themes of Respect, Integrity, Diversity and Excellence - R. I. D. E

Visible Learning at Glenholme School

- We pride ourselves in making learning visible.
- Learning progressions are displayed in 'learner friendly' language to help our learners know how am I going?, where am I going? and where to next?
- By making learning and progress visible we empower both our learners and their parents.
- We aim to be consistent across the school and make it obvious to the learners.
- We are developing students who understand what they are learning, why they are learning and who have high expectations of themselves.
- We are developing a shared language of learning within our school.

When asking your child/ren how their day was try a different approach. Try a Visible Learning approach:

- Ask your child/ren what their learning intention is, in reading, writing or mathematics.
- Ask your child/ren what their success criteria is, in reading, writing or mathematics.
- Ask your child/ren what their next step learning is, in reading, writing or mathematics.

Back to School Requirements for 2018

Glenholme School has teamed up with OfficeMax to make Back to School easy!

All your child's school stationery list requirements are uploaded online at **myschool.co.nz** to make it easy for you to purchase your child's back to school requirements. Simply search for our school, select your child's class and/or subject lists and follow the instructions on the website.

Buying through OfficeMax MySchool also earns School Rewards for our school which we can redeem for much needed educational supplies, equipment for our classrooms or to help those students in need.

OfficeMax MySchool makes Back to School easy for you with these great benefits:

Shop Your Way - online at myschool.co.nz, freephone 0800 724 440 or in your local OfficeMax store.

Price Match Promise - find a lower price and OfficeMax will match it.

Free Delivery - for orders over \$46. Choose delivery to home or work at a time that suits you.

Save valuable holiday time - avoid busy shopping malls and traffic queues by shopping online from the comfort of your home so your child starts the year with the correct stationery supplies.

Multiple Payment Options - including secure internet banking, credit/debit card and cash in your local OfficeMax store.

School Donations & Other Charges - these can be paid online at myschool.co.nz and will show as a separate transaction on your credit/debit card. These will be charged when you place your order.

As a Mum I find there's such a lot to do getting the kids back to school - everything from covering exercise books to emptying mouldy sandwiches from lunch boxes. So it's a relief to be able to order online at OfficeMax MySchool.

Pita Pit School Lunch Programme

Glenholme School students can now enjoy a healthy, nutritious and delicious meal at school. Pita Pit Rotorua has partnered up with Luncheonline to provide a service that will deliver great food on time to our tamariki.

Parents and Caregivers will find the ordering platform easy to use, and can make an order right up until 9am of the day they want lunch for their child/ren.

How does it work?

Luncheonline is a service which allows parents to order and pay for school lunches on line. Parents can place order prior to 9am. The orders are then printed onto labels at Pita Pit. The labels contain the child's name, classroom and their entire order. The Pitas are then made fresh, labelled, organised into classrooms and delivered by Pita pit to the school at 12.30pm on a Tuesday and a Thursday each week.

How does Luncheonline (LOL) work?

- Parents register and open an account on www.luncheonline.co.nz
- Each account can have one or more children.
- When a student is set up on the account, they are attached to a school.
- An order is placed for a student selecting Pita Pit in the Food provider's menu.
- There is a minimum amount of \$10.00 initial credit required, which can be credited to the account via credit card or internet banking.
- When the credit is used, the account can be topped up as required.
- At anytime the account can be closed and the credit balance refunded (less a small administration fee which is waived at the end of the school year).
- Orders can be placed many days in advance.
- Pita Pit has a 9am cut-off time for orders.
- Orders can be cancelled up until the cut-off time so if an order has been made in advance and the child is sick on that day, it is a very easy matter to cancel the order.
- The account will be credited with the value of the cancelled order.
- For more information go to www.luncheonline.co.nz
- Pitas come with a choice of bread.

- Our School App is live!!
- Search for 'Glenholme' in your App Store or Play Store and download.
- Glenholme School has a website; www.glenholme.school.nz
- The School Newsletter can be accessed via these three platforms.

Ranolf Street School Entrance

Reminder that the Ranolf Street Entrance is not a drop off and or pick up zone. It is imperative that the school environment ensures all students are safe at all times. After months of redesigning and negotiations, developments will be underway shortly for the electronic gate system to be operational again. Pedestrian access will be available, based on the previous system, any one arriving via the Ranolf Street entrance in a car will need to utilise an intercom system.

Lost Property

We have an ongoing problem with our lost property. We regularly have large piles of unnamed and unrecognised clothing. Currently lost property is kept alongside the caretakers shed in the front of the school. Lost clothing is on show for the children to look at, and if not claimed within 4 weeks is collected, washed and is likely to be on sold in the second hand uniform sales. Any named property is given back to the owner. Students are responsible for their clothing, please check that children bring items home each day. Please ensure that the school uniform is clearly named.

Swimming Pool

We have a lovely pool. It is heated and well maintained, with good quality changing sheds and toilets. We aim to try to teach all children water confidence, water safety and basic swimming as a part of the compulsory Health and Physical Education Curriculum. Children are expected to swim as part of their learning programme. Please help us by making sure that your child has **named** togs and towel during their swimming weeks. If your child is too sick to swim then a note should be provided to the teacher. We do not allow children with open sores to swim for the welfare of all.

Bikes, Scooters, Roller Blades and Skateboards

These items are no longer appropriate for use in the school grounds. Biking to and from school is not effected, however these devices in and around school, before or after will no longer be tolerated. For astro-turf care and protection such devices are not to be used at anytime. Students that have attended GASP or played at school will no longer be able to do so. Thank you for your support and understanding.

Dental Therapist and Service

The Rotorua District Health Board has a Mobile Clinic Service that will visit Glenholme School. The Mobile Clinic when on site will be situated behind A1 Classroom. Any dental emergencies parents will need to contact Rotorua District Health regarding the nearest operating Dental Service in Rotorua to get treatment. Do not contact the school, unfortunately we will not be able to help direct you to treatment as it is the Ministry of Health and Rotorua District Health Board that manage the dental service and not the school or Ministry of Education.

Principals Awards

Even weeks of school term Principal Award recipients are announced via the School Newsletter. Odd weeks of the school term, Principal Award recipients are acknowledged at the Friday School Assembly (parents welcome).

Students receive a printed certificate (with the details of their success and achievement), a small gift and recognition in-front of the whole school.

Those recognised for the Principal Award will sit in the first row of the seats in assembly. After assembly recipients retire to the staffroom with Mrs Macfarlane and Mrs Thompson for a special morning-tea. Parents and whanau are welcome to attend School Assemblies at 9.15am on Fridays to see your child receive their acknowledgement.

This term whilst the school hall is out of action—Principal Awards will be presented in the Staffroom at 10am. Parents and whanau are welcome to celebrate with their child in the staffroom.

Community of Learning/ Kahui Ako

The Rotorua Central Community of Learning (CoL) comprises eight schools: *Glenholme School; Malfroy School; Whakarewarewa School, Ngakuru School, Rotorua Boys' High School; Rotorua Girls' High School; Rotorua Intermediate; and Rotorua Seventh Day Adventist School.*

The principals, senior leadership and teaching staff have already worked collaboratively and have undertaken professional learning and development together. A culture of professional sharing and respect exists among these schools already and with the introduction of the Rotorua Central CoL/ Kahui Ako the schools will continue to develop and enhance these relationships whilst undertaking achievement challenges to raise student achievement across all eight schools.

Nancy Macfarlane Principal of Glenholme School is the lead principal for the Rotorua Central CoL/ Kahui Ako. This responsibility is fully supported by the Glenholme School Board of Trustees and the staff. The CoL/ Kahui Ako responsibilities have and will continue to require Mrs Macfarlane's time and professional expertise. However Glenholme School parents and whanau can be reassured that the leaders of learning and teaching staff will uphold the expectations to ensure our tamariki are provided with the skills, will and thrill to become assessment capable learners
