Parents and Caregivers will find the ordering platform easy to use, and can make an order right up until 9am of the day they want lunch for their child/ren.

### **How does Lunchonline (LOL) work?**

- Parents register and open an account on [www.lunchonline.co.nz](http://www.lunchonline.co.nz)
- Each account can have one or more children.
- When a student is set up on the account, they are attached to a school.
- An order is placed for a student selecting Pita Pit in the Food provider's menu.
- There is a minimum amount of \$10.00 initial credit required, which can be credited to the account via credit card or internet banking.
- When the credit is used, the account can be topped up as required.
- At anytime the account can be closed and the credit balance refunded (less a small administration fee which is waived at the end of the school year).
- Orders can be placed many days in advance.
- Pita Pit has a 9am cut-off time for orders.
- Orders can be cancelled up until the cut-off time so if an order has been made in advance and the child is sick on that day, it is a very easy matter to cancel the order.
- The account will be credited with the value of the cancelled order.
