Welcome back to all of our children and families

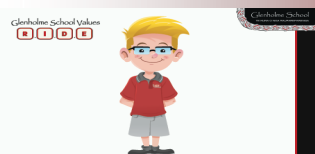

We also welcome a number of new families to our school. Every class at Glenholme School has a busy and exciting term ahead of them. Winter sports, school cross country, matariki celebrations, class and team marae excursions are just a few exciting opportunities for term two - not to mention the learning opportunities that will be taking place everyday in every classroom.

Announcement from Mrs Macfarlane

Regretfully I notify the school community that our I will be leaving Glenholme School at the end of this term. I will be taking up a position at the Rotorua Ministry of Education Office as Education Manager for BoP - Waiariki region.

However I would like to reassure the school community that the learning and the learners' are the priority for Glenholme School and this will be reflected in my responsibilities during the remainder of my time in term two.

We, as a whole community will have time to reflect on 11 years of service and bid farewell at the appropriate time... but for now we need to have our continued focus on the learning and raising student achievement for our tamariki.

Principal Awards

Awarded to students making exceptional effort and or achievement at school, therefore deserving of acknowledgement and recognition. Presented to recipients on Friday 11th May at 10am in the staffroom and will be live on FaceBook at the time of the presentation.

A1 Johanna Munar for consistently demonstrating the Glenholme R.I.D.E values. Each school day Johanna enthusiastically comes to school ready to learn. She is respectful to everyone whom she is in contact with and is someone who can be relied upon to help and support others. She is able to use her success criteria as a tool to help her achieve excellence in all curriculum areas. Well done Johanna, you are a R.I.D.E role model in A1.

A3 Demytiz Pomare for being a motivated and engaged learner in A3 since the start of term 2. Demytiz, as the year has progressed you continually demonstrate a positive attitude towards your learning. You are eager to ask for help when you need further support, you contribute fabulous ideas during class discussions and you are always willing to help others. A3 and myself are very proud of how hard you are working towards achieving success.

A4 Ashton Martin can be very focused and is able to follow learning intentions and success criteria. He has worked hard this week - great start to Term 2! Ashton knows how to succeed in all learning areas by following the criteria and doing his best to achieve these goals. He is able to work well independently and in group situations. Ashton has also shown compassion in class with other students and has been leading the way to make our classroom environment a clean and tidy place.

A5 Ezra Overbye has bounded back to school with the same enthusiasm to learning as he had in Term 1. He knows where to look for his learning intentions and follows success criteria until he is successful with his work. This is particularly evident with his writing, where he always strives to make improvements. Ezra is honest and kind and consistently demonstrates all of the Glenholme School values. He is a true asset to our classroom.

A6 Eric Huang has made an amazing start to term two. Eric demonstrates he is a good learner by focusing during writing time, he is understanding his Learning Intention and uses the success criteria to help guide him as he write. He consistently uses the Glenholme School Values and is such a fantastic helper in A6 to Mrs Kiel and his classmates. It is such a pleasure to have Eric in A6.

A7 Maraea Sorenson for working hard at achieving her learning intentions in Reading and Writing. Maraea listens carefully to what she needs to do to succeed and shows determination in meeting her success criteria. Maraea is looking carefully at letters and punctuation when she reads and is starting to write some letter sounds and basic words. Keep striving for excellence Maraea.

B1 Tūmanako Ngahere for continually demonstrating the new Glenholme School values - R.I.D.E. He is a great role model who is always polite and willingly helps others who need assistance. Tūmanako can identify his learning intentions and success criteria and with assistance can identify his next steps off the learning progressions. Tu Meke! Tūmanako.

B2 Oleya Brons for consistently working to a high standard. Oleya demonstrates an excellent work ethic and understands the importance of learning intentions and success criteria. She actively checks her work against her success criteria and is also a reliable peer assessor for others. Ka mau te wehi Oleya, keep up the excellent work.

B3 Aava Shaw for consistently striving to meet the Learning Intentions in all areas. She is always on task and makes good learning choices. Aava demonstrates the School Values in the class and on the playground. She is a wonderful role model for others. Tino pai Aava!!

B6 Nate Gotz for being a very thoughtful learner in B6. Nate listens closely, considers information, asks questions and shares great ideas during class discussions. He has excellent reading strategies which help his reading group to learn challenging new vocabulary in their junior journals. Nate works hard and sets high standards for himself at writing time. He also shows determination when solving number problems at maths time. Tino pai, Nate. We love having you in our class, with your friendly smile and impressive learning skills!

C6 Kyahs Morris-Ngatai is a good learner in C6 because he has made great progress in achieving his goals this year through demonstrating the value of excellence. During writing time he can draw a fantastic picture plan and use his high frequency word knowledge to write a sentence. Kyahs has been focused and thinking hard when working with Miss Bridgeman and Whaea Winiana, and even completed a fantastic sea creature book with Whaea Min! Keep up the hard mahi Kyahs, you are awesome!

C7 Samrat Kadia for being a hard-working Glenholme School learner. Samrat has tried hard to learn about our Glenholme School Values of Respect, Integrity, Pride and Excellence, and can reflect on them during class situations. He made a fantastic poster about The Learning Pit, and is starting to think about what that means. Samrat is learning how the idea of The Learning Pit can help him to make progress when he is stuck with a challenge. Keep showing persistence and effort Samrat, you are a role model in C7.

C8 Egor Stikhanovskiy for showing excellence in reading. Egor, you arrived at school with a love for books and already reading at a high level. Your reading has continued to progress and you are now reading at Turquoise! It's great to see you sharing your enjoyment in reading with those around you as you invite others to listen to you read. This has also prompted you to take risks in your writing, as you have begun to confidently write two sentences on your own. We can't wait to see where this interest in literacy takes you next.

C9 Kyra Tissink for having a positive attitude towards your writing. You are coming up with simple sentences to describe your pictures very well. It is pleasing to see you using your butterfly card to find some basic words when you need them. You are showing initiative that will help you progress well in writing. Keep up the great work Kyra!

Free Health Care for Glenholme School Students

- There is a free nurse available for Glenholme School children who have sore throats or skin infections like school sores, nits and scabies.
- The nurse will be available from 10.30am - 12am on Wednesday at Glenholme School. **It is free to see the nurse and medicine will be provided.**
- This is a nurse service to prevent rheumatic fever in our school. Rheumatic Fever damages children's hearts.
- Children and young people aged between 4 and 19 with sore throats or skin infections can also use the free clinic - to see the nurse, please go to Western Heights Health Centre in the afternoon between 3pm and 6pm Monday to Thursday or 3pm and 5pm Friday, or call 3470565, txt 0224847628 (022 4throat).
- It is free to see the nurse and medicine will be provided. Children seen by the nurse stay registered with their usual GP.
- Please get sore throats treated and protect children's hearts.

Board of Trustees

A casual vacancy for an elected parent representative has been appointed.

The Glenholme School Board of Trustees warmly welcomes Mrs Amy Chung as the new parent representative.

Next Board Meeting is Thursday 10th May 2018 at 6pm.

B Block Property Developments

B1 and B2 students have now returned to their newly redecorated classes and are enjoying the vibrant colours and new learning spaces. B4 and B5 classes are now situated in the hall while their classes have their renovations. These renovations are proceeding on time and we hope B4 and B5 classes are back enjoying their new learning spaces as soon as possible without too much delay.

Ipads & Chrome Books

Glenholme School has successfully applied to The Southern Trust for a funding grant. Full funding approval was granted for the purchasing 20 Chromebooks and 20 ipads for the Tihi-o-Tonga Team and Whakapoungakau Team.

Borrowed Uniform

Can parents please return all borrowed uniform from the school to the office as soon as possible. It is also helpful to the school if parents name all clothing so these are easily recognised by your children.

School Donations

- Glenholme School 2018 donation is \$20.00 per term or \$70 for the year if paid in full during Term One. If you have 2 or more children and pay in the first term you will only need to pay \$60 per child for the year.
- School donations are greatly appreciated. Donations from parents and whanau are wisely allocated toward student special programmes. Please consider supporting the school and making provisions for our students that they may miss out on if donations are not made.

Collecting Students

- Parents are asked to call in at the office if they are collecting children during the day. This is for the safety of our students when they are in our care at school.
- All children need to be collected at 3pm or be in GASP care. There is no supervision of the playgrounds after 3pm.

Parking

Please be mindful of the safety of the students when you are driving to school.

A reminder to parents and caregivers who are dropping off or picking up children you need to park on the road on either Miller Street or Ranolf Street.

Please also use the pedestrian crossing when you are crossing the road, this is a good example to the children.

The car park in the school grounds is for Staff parking.

Change of Address or Contact Phone Numbers

If you have any change of address or new phone numbers please let the office know as soon as possible. These are required to be kept up to date to any urgent situation or sickness that may develop.

Glenholme School provides our tamariki with the skill, will and thrill to become assessment capable learners
