### TEACHER ONLY DAY—Friday 1st June

Reminder to parents that school will be closed for instruction Friday 1st June. Staff will be involved in professional development offsite. Teachers will be engaged in new learning. Enjoy an extra long weekend with Friday, Teacher Only Day and Monday 4th June Queens Birthday.

### B Block Property

B1 and B2 are settled in their respective classrooms. B4 and B5 are now situated in the hall until mid-June when their classrooms are also expected to be completed. B3 will be the last class to experience the upgrade and move into the hall whilst the work is being completed. Justin and Noel from Burton Construction have been working tirelessly on the project with Sigma Consultants and Mrs Macfarlane. The finished classes are a fine example of modern, innovative learning environments for our tamariki. The Ministry of Education has funded this B Block development however funds are limited and allocated once every 5 years. Therefore the Glenholme School Board of Trustees has fully funded the canopy over the B Block deck and the new exterior doors across B1 – B5. These two additions to the project ensure that the classrooms can be utilised as indoor/outdoor learning spaces. The project is expected to be completed during the next school holidays with all of B Block, Tihi-o-tonga Team back in their classrooms for Term Three learning.

### New Entrant Enrolments

Pukehangi Team of A7, C8 and C9 will be expanding in Term Three. It is noticeable at pre-school class on Wednesday afternoons that our numbers are continuing to grow. However growth is expected to slow between now and next term. Glenholme School will be opening a 4<sup>th</sup> class in Pukehangi Team, Room NE. This classroom, Room NE will be situated across the corridor from A7. Leadership is in process of appointing a teacher for the position and will be monitoring the situation closely. If the numbers grow rapidly during term two then this will be reassessed and addressed in a timely manner. In the interim A7 will have a full time teacher aide appointed to the classroom to support Mrs Palmer and our new entrant tamariki of Glenholme School.

# National Young Leaders Day

The Young Leaders had a wonderful time attending the National Young Leaders Day in Hamilton on Monday. They enjoyed listening to a variety of New Zealand leaders who gave motivational and inspirational talks about their passions in life. One of their favourite speakers was Riley Hathaway, a passionate 17 year old ocean advocate who wants to encourage everybody to keep our oceans plastic free. The Young Leaders were challenged to reach their own personal goals and reminded that although they will encounter barriers, they can push through them if they are persistent and persevere.

## **GLENHOLME SCHOOL ENROLMENT SCHEME**

**The board invites applications from parents who wish to enrol their sons and daughters at Glenholme School for next term.**

The board has determined that there are some places in Year 2, Year 5 and Year 6 available for Term Three for out of zone students. The exact number of places will depend on the number of applications received from students who live within the school's home zone.

Details relating to the second enrolment period is as follows:

- Length of enrolment period: 23rd July to 28th September
- Deadline for receipt of applications: 22nd June
- Date of Ballot: 25th June 2018

Parents of students who live within the home zone and intend enrolling their child at any time during the year should notify the school to assist the school to plan appropriately for the next terms.

If the number of out of zone applications exceeds the number of places available, students will be selected by ballot. If a ballot of out of zone places is required, it will be held on 25th June 2018.

Parents will be informed of the outcome of the ballot within three school days of the ballot being held.

### **Extra Uniform**

We have an increasing amount of students that are needing a change of clothes during the day. If you know your child may require a change, please can parents pack extra shorts/culottes/underwear in their bag as the office is at present running extremely low on these items.

### **Change of Address or Contact Phone Numbers**

If you have any change of address or new phone numbers please let the office know as soon as possible. These are required to be kept up to date to any urgent situation or sickness that may develop.

**Glenholme School provides our tamariki with the skill, will and thrill to become assessment capable learners**

## **Borrowed Uniform**

Can parents please return all borrowed uniform from the school to the office as soon as possible. It is also helpful to the school if parents name all clothing so these are easily recognised by your children.

## **School Donations**

- Glenholme School 2018 donation is \$20.00 per term or \$70 for the year if paid in full during Term One. If you have 2 or more children and pay in the first term you will only need to pay \$60 per child for the year.
- School donations are greatly appreciated. Donations from parents and whanau are wisely allocated toward student special programmes. Please consider supporting the school and making provisions for our students that they may miss out on if donations are not made.

## **Collecting Students**

- Parents are asked to call in at the office if they are collecting children during the day. This is for the safety of our students when they are in our care at school.
- All children need to be collected at 3pm or be in GASP care. There is no supervision of the playgrounds after 3pm.

## **Parking**

Please be mindful of the safety of the students when you are driving to school.

A reminder to parents and caregivers who are dropping off or picking up children you need to park on the road on either Miller Street or Ranolf Street.

Please also use the pedestrian crossing when you are crossing the road, this is a good example to the children.

**The car park in the school grounds is for Staff parking.**
