Notices To Parents

CycleWay

The Lakes District Council and Land Transport have undertaken the Ranolf Street Shared Cycle Way. Roadworks are currently underway outside of St Mary's School. Soon they will be directly outside our Glenholme School gates.

Traffic can often be chaotic outside the school gates on Ranolf Street and these roadworks will only add to the congestion and business.

Parents please be mindful that this will be taking place in the very near future and will cause extra strain and stress on parking, pick and drop off and collecting your tamariki when raining.

We apologize that this inconvenience has been imposed on the school community but would appreciate your understanding and patience. However we would appreciate your care and concern for our tamariki and their health and safety whilst these developments are underway.

Teachers Union Meeting

Dear Parents,

You may be aware of the nationwide crisis in recruiting and retaining teachers.

While there are many more children coming into the school system, there are not enough new teachers being trained. Urgent and significant changes are needed to ensure that the teaching profession can attract the people it needs and to ensure class sizes do not start to increase.

On *Thursday 28th June* the teachers from this school will be attending a NZEI Te Riu Roa paid union meeting regarding the *Kua Tae Te Wā* - It's Time campaign. The campaign aims to free teachers to teach and principals to lead, by getting the additional support and staff that schools need. The meetings will allow our teachers to discuss how the Ministry of Education has responded to changes that the union is seeking.

Our teaching staff are members of NZEI and legally entitled to attend this meeting. The teachers will be leaving school on *Thursday 28th June* to attend their paid union meeting which starts at 2pm.

I strongly encourage parents to make arrangements to pick their child(ren) up from school by 12.50pm on Thursday 28th June. If you are unable to pick your children up then, please advise us so that your children can be supervised until 3pm, the end of our normal school day.

I appreciate that this creates some inconvenience for families. However, I encourage you to support your teachers as they strive to achieve the changes which will safeguard quality education for all children and ensure we make teaching an attractive profession for graduates.

Anyone who may need help with arrangements should contact the office.

Notices To Parents

Ranolf Street Gates

This entrance is closed at certain times of the day. This closure is for the safety of the tamariki. The car park is for **staff use only**, it is not a drop off zone. The electronic gates have some tricky protocols regarding the use of them, and staff are aware of these. However some parents have been using this entry access and have endured damage to cars. The school accepts no responsibility for parents who risk moving through the gates instead of dropping tamariki off on Ranolf Street. Please be warned and be mindful in the future.

New Entrant Enrolments

Pukehangi Team of A7, C8 and C9 will be expanding in Term Three. It is noticeable at pre-school class on Wednesday afternoons that our numbers are continuing to grow. However growth is expected to slow between now and next term. Glenholme School will be opening a 4th class in Pukehangi Team, Room NE. This classroom, Room NE will be situated with A7 during “Learning Through Play” times and Room NE and A7 will use a teaching and learning space at the end of A Block corridor for instructional learning. Whaea Jodene will be the classroom teacher for Room NE. If the numbers grow rapidly during term two then this will be reassessed and addressed in a timely manner. In the interim A7 will have a full time teacher aide appointed to the classroom to support Mrs Palmer and our new entrant tamariki of Glenholme School. Whaea Jodene will be available each Wednesday for pre-school class.
