## **Board of Trustees Principal Appointment**

The Board of Trustees takes great pleasure in advising the Principal appointment process has been completed.

It is a great delight to introduce our new Principal at Glenholme School, **Sarah Thompson**.

We wish her all the best going forward, and on behalf of the school community congratulate her on her achievement.

## **Term 3 was Absolutely Fantastic**

Congratulations to Glenholme School students, staff and whanau.

Term 3 was spectacular. The staff at Glenholme School provided a huge variety of learning experiences and opportunities to challenge our students. Highlights of the term included the Spelling-Bee, lunchtime Disco, Academic Achievement Discussions and our awesome production.

To the very hard working, dedicated and committed Glenholme School staff, have a relaxing and rejuvenating holiday. Thank you for making the term a memorable learning experience for all.

Students, thank you for your commitment and dedication to learning. You make the staff extremely proud of your progress and achievements. Please ensure you have a safe and enjoyable holiday. We look forward to seeing you back here on Monday 15th October.

## **Ranolf Street Gates**

This entrance is closed at certain times of the day. This closure is for the safety of the tamariki. The car park is for **staff use only**, it is not a drop off zone. The electronic gates have some tricky protocols regarding the use of them, and staff are aware of these. However some parents have been using this entry access and have endured damage to cars. The school accepts no responsibility for parents who risk moving through the gates instead of dropping tamariki off on Ranolf Street. Please be warned and be mindful in the future.

This month we are taking part in New Zealand ShakeOut, our national earthquake drill and tsunami hikoi, at 9.30am on 18 October. We will be practising our Drop, Cover and Hold drill. We are also taking part in the New Zealand ShakeOut Schools Challenge, organised by the Ministry of Civil Defence & Emergency Management and the Earthquake Commission. Your child will be bringing home a Challenge booklet, to work through with their whanau so we're prepared for an emergency. Take a look at it, have a go, and complete what you can, including the Our Plan section, then sign the Challenge checklist, cut it out and return it to school before the end of October. We have prizes for everyone who returns their signed checklist. Find out more at [shakeout.govt.nz](http://shakeout.govt.nz).

## SunSmart for 2017

It's nearly October already, the spring blossoms are out and before you know it, it will be summer! From October through to end of April, between 10am to 4pm when the sun's ultraviolet (UV) rays are most intense, Glenholme School will be working very hard to ensure that children under their care are protected from dangerous UV rays. You can support Glenholme School by:

- Providing your child/children with a School hat that will offer protection to the neck, ears and face to slap on at school when outside between 10am and 4pm. They have been scientifically proven to provide adequate sun protection.
- You can wear a SunSmart hat yourself as children like to copy you.
- Your child will be encouraged to slop on SPF30+ broad spectrum sunscreen on any skin not covered by clothes. Should you wish, you may opt to supply a labelled bottle with your child/children's name which can be kept at the school.

Remember nearly 80% of lifetime sun exposure happens before the age of 18, so it's important to make sun protection a life-long habit, starting as young as possible.

## Greets and Grans Morning

This is the first of many exciting events happening next term. On Friday 19th October Glenholme School classrooms are open to all our fantastic Grandparents: Nannies, Koros, Kuia, Kaumatua, Omas and Opas. The students will send invitations out to respective family members inviting them into their classrooms in the morning to see them in action and to showcase Glenholme School, and their hard work. The staff and students are looking forward to hosting all of our visitors in the first week of next term.

## Term Four - Compulsory Sun Hats

Students must wear sunhats in Term Four when they are outside. Restricted play will be enforced for students without a sunhat. Reminder that all parents and whanau signed an agreement on enrolment regarding the Glenholme School Uniform Policy. This policy clearly states that the official School Sun Hat must be worn as the brim provides cover for the neck, ears, nose and face. The School Sun Hat can be purchased at NZ Uniforms retail shop or online.
