Nau mai haere mai. Welcome to Glenholme School. Glenholme School is one of Rotorua's longest established schools, with a loyal and committed community support network. Glenholme School has a strong reputation for being a friendly, supportive environment, while meeting the needs of our diverse students.

### School Vision Statement:

*Glenholme School provides our tamariki with the skills, will and thrill to become assessment capable learners*

### School's Purpose Statement:

*Glenholme School's educative purpose is to:*

*Cause learning*

*Serve each learner*

Developing each learner holistically is critical in creating curious tamariki who think and relate well to others. There are overarching principles that Glenholme School believes are important for each individual to acquire during their Glenholme years.

## Cause learning

- high expectations of success and a desire to achieve success
- assessment capable learners
- shared language of learning
- learning dispositions
- learning processes
- strong personal connections between students and adults

## Serve each learner

- learning is visible
- teachers and school leaders are inspired and passionate
- teachers and school leaders are fundamentally evaluators of our practice
- teachers and school leaders who see learning through the eyes of students
- teachers and school leaders with visible learning mindframes

We have a successful values programme based around the themes of Respect, Integrity, Diversity and Excellence - R. I. D. E

## Visible Learning at Glenholme School

- We pride ourselves in making learning visible.
- Learning progressions are displayed in 'learner friendly' language to help our learners know how am I going?, where am I going? and where to next?
- By making learning and progress visible we empower both our learners and their parents.
- We aim to be consistent across the school and make it obvious to the learners.
- We are developing students who understand what they are learning, why they are learning and who have high expectations of themselves.
- We are developing a shared language of learning within our school.

## When asking your child/ren how their day was try a different approach. Try a Visible Learning approach:

- Ask your child/ren what their learning intention is, in reading, writing or mathematics.
- Ask your child/ren what their success criteria is, in reading, writing or mathematics.
- Ask your child/ren what their next step learning is, in reading, writing or mathematics.

## **Pita Pit School Lunch Programme**

Glenholme School students can now enjoy a healthy, nutritious and delicious meal at school. Pita Pit Rotorua has partnered up with Luncheonline to provide a service that will deliver great food on time to our tamariki. Parents and Caregivers will find the ordering platform easy to use, and can make an order right up until 9am of the day they want lunch for their child/ren.

### **How does it work?**

Luncheonline is a service which allows parents to order and pay for school lunches on line. Parents can place order prior to 9am. The orders are then printed onto labels at Pita Pit. The labels contain the child's name, classroom and their entire order. The Pitas are then made fresh, labelled, organised into classrooms and delivered by Pita pit to the school at 12.30pm on a Tuesday and a Thursday each week.

- Orders can be placed many days in advance.
- Pita Pit has a 9am cut-off time for orders.

Your consideration with regard to this matter is greatly appreciated.

## Friends of the School (F.O.T.S)

The Friends of the School are a very active group who have been involved in a number of fundraising schemes and other activities which directly benefit the children. ### Lost Property

We have an ongoing problem with our lost property. We regularly have large piles of unnamed and unrecognised clothing. Currently lost property is kept alongside the caretakers shed in the front of the school. Lost clothing is on show for the children to look at, and if not claimed within 4 weeks is collected, washed and is likely to be on sold in the second hand uniform sales. Any named property is given back to the owner. Students are responsible for their clothing, please check that children bring items home each day. Please ensure that the school uniform is clearly named.

### Swimming Pool

We have a lovely pool. It is heated and well maintained, with good quality changing sheds and toilets. We teach all children water confidence, water safety and basic swimming as a part of the compulsory Health and Physical Education Curriculum. Children are expected to swim as part of their learning programme. Please help us by making sure that your child has **named** togs and towel during their swimming weeks. If your child is too sick to swim then a note should be provided to the teacher. We do not allow children with open sores to swim for the welfare of all.

### Bikes, Scooters, Roller Blades and Skateboards

These items are not appropriate for use in the school grounds. Biking to and from school is not affected, however these devices in and around school, before or after school is not allowed. For astro-turf care and protection such devices are not to be used at anytime. Students that have attended GASP or played at school will no longer be able to do so. Thank you for your support and understanding.

## Dental Therapist and Service

The Rotorua District Health Board has a Mobile Clinic Service that is currently visiting Glenholme School. The Mobile Clinic is on site and is situated beside the Library.

When the Mobile Clinic is not here at school, for any dental emergencies parents will need to contact Rotorua District Health regarding the nearest operating Dental Service in Rotorua to get treatment. Do not contact the school, unfortunately we will not be able to help direct you to treatment as it is the Ministry of Health and Rotorua District Health Board that manage the dental service and not the school or Ministry of Education.

## Principals Awards

Even weeks of school term Principal Award recipients are announced via the School Newsletter. Odd weeks of the school term, Principal Award recipients are acknowledged at the Friday School Assembly starting in Week 3 (parents welcome). Students receive a printed certificate (with the details of their success and achievement), as recognition in-front of the whole school.

Those recognised for the Principal Award will sit in the first row of the seats in assembly. After assembly recipients retire to the staffroom with Mrs Thompson for a special morning-tea. Parents and whanau are welcome to attend School Assemblies at 9.15am on Fridays to see your child receive their acknowledgement.

## Making the Difference Water Safety Programme for Tihi-o-Tonga and Whakapoungakau Teams

The Year 3-6 students are fortunate to have the 'Making the Difference Water Safety Programme' delivered at school during their timetabled class swimming sessions in weeks 4 and 6. The programme is a joint initiative of Swim Rotorua Swimming Club and CLM Swim Magic. This fantastic opportunity is funded by the Rotorua Lakes Council, Baytrust and the Rotorua Energy Charitable Trust, who all deem water safety and swimming to be a vital life skill. We are delighted that our middle and senior school tamariki are part of this initiative and thank the organisers for this opportunity. Their qualified swim instructors will lead the sessions with the support of our teachers.

## Sports News
