PPP (Pause, Prompt, Praise) Tutors Needed

The PPP - Pause, Prompt, Praise Reading Intervention Programme for senior students has been going for 17 years at Glenholme School. The programme was introduced to the school by Colleen Pinfold an ex Glenholme School teacher. For the continual success of this programme we rely on volunteers from our community. We have been very fortunate to have had tutors who have volunteered their time since the programme started. This year we require more tutors so we can start the programme in a couple of weeks time. What this would involve is;

- being available 3 mornings a week for approximately one and a half hours each morning
- working with up to 3 children individually
- working in a provided space at school with the other tutors

Full training will be provided by Colleen Pinfold and all resources provided. If you interested in becoming a tutor or finding out more about being a tutor please contact Susan Swann-Eason (Whaea Susan) on 3481489 or pop into school and ask for her at the office.

Pita Pit School Lunch Programme

Glenholme School students can now enjoy a healthy, nutritious and delicious meal at school. Pita Pit Rotorua has partnered up with Luncheonline to provide a service that will deliver great food on time to our tamariki. Parents and Caregivers will find the ordering platform easy to use, and can make an order right up until 9am of the day they want lunch for their child/ren.

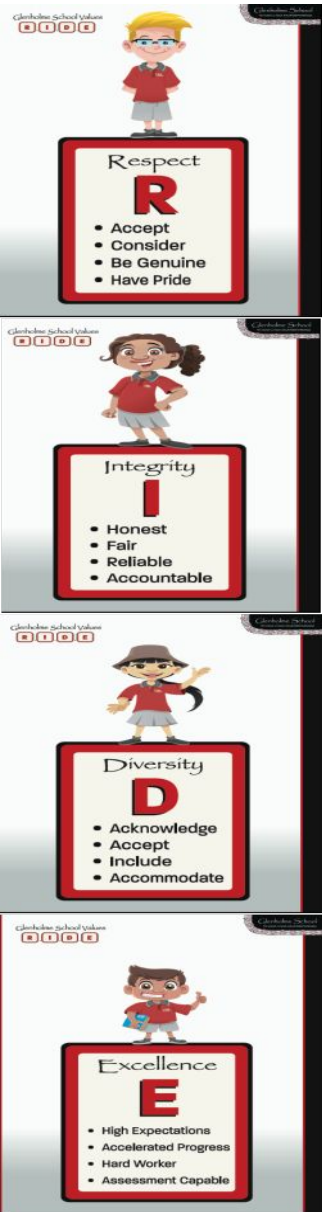

How does it work?

Luncheonline is a service which allows parents to order and pay for school lunches on line. Parents can place order prior to 9am. The orders are then printed onto labels at Pita Pit. The labels contain the child's name, classroom and their entire order. The Pitas are then made fresh, labelled, organised into classrooms and delivered by Pita pit to the school at 12.30pm on a Tuesday and a Thursday each week.

How does Luncheonline (LOL) work?

- Parents register and open an account on www.luncheonline.co.nz
- Each account can have one or more children.
- When a student is set up on the account, they are attached to a school.
- An order is placed for a student selecting Pita Pit in the Food provider's menu.
- There is a minimum amount of \$10.00 initial credit required, which can be credited to the account via credit card or internet banking.
- When the credit is used, the account can be topped up as required.
- At anytime the account can be closed and the credit balance refunded (less a small administration fee which is waived at the end of the school year).
- Orders can be placed many days in advance.
- Pita Pit has a 9am cut-off time for orders.
- Orders can be cancelled up until the cut-off time so if an order has been made in advance and the child is sick on that day, it is a very easy matter to cancel the order.
- The account will be credited with the value of the cancelled order.
- For more information go to www.luncheonline.co.nz
- Pitas come with a choice of bread.
- Pitas come with a choice of fillings.
- Pitas come with a choice of sauce.
- Pita Pit also comes with an option of drinks. 9.4grams - 11.6 grams of sugar per 200ml pack

Making the Difference Water Safety Programme for Tihi-o-Tonga and Whakapoungakau Teams

The Year 3-6 students are fortunate to have the 'Making the Difference Water Safety Programme' delivered at school during their timetabled class swimming sessions in weeks 4 and 6. The programme is a joint initiative of Swim Rotorua Swimming Club and CLM Swim Magic. This fantastic opportunity is funded by the Rotorua Lakes Council, Baytrust and the Rotorua Energy Charitable Trust, who all deem water safety and swimming to be a vital life skill. We are delighted that our middle and senior school tamariki are part of this initiative and thank the organisers for this opportunity. Their qualified swim instructors will lead the sessions with the support of our teachers.
