Pink Shirt Day - Mufti Day TOMORROW

The Young Leaders will be running a Mufti Day on Friday the 17th of May to celebrate 'Pink Shirt Day'. Students will wear mufti (something pink if possible, but it's not compulsory) in exchange for a gold coin donation. All proceeds will go to the Mental Health Foundation. Pink Shirt Day is about working together to stop bullying by celebrating diversity and promoting positive social relationships. It's about creating a community where all people feel safe, valued and respected, regardless of age, gender identity, sexual orientation, ability, or cultural background. The Young Leaders believe this is a worthy cause to donate to. They appreciate your support!

Strike Action 29th May

The Board of Trustees cannot provide teaching for students at Glenholme School during the upcoming strike. The NZEI has advised the Glenholme School BOT that the Principal and teachers at our school will be taking strike action on Wednesday 29th May.

The board has carefully considered the availability of teaching staff, and unfortunately decided that we can't provide the normal teaching services during the strike.

It's important that you make alternative arrangements for the care of your child/ren on the day of the strike.

As the school will be CLOSED for instruction, do not send your children on this day.

I know this is inconvenient for parents, caregivers and students alike but please be assured that student safety is our main concern. The board does fully support the teachers in their decision to strike and encourage our community to do the same.

Thank you for your understanding.

Yours sincerely,

Chris Allibone

Board Chair

Practices for our 4 teams continue at morning tea and lunchtime. Practices have been open so our competitors can get used to performing in front of an audience. We have had lots of tamariki come along to watch and support our competitors. They also get to join in which has been a lot of fun! Good luck to our 4 teams competing on Friday 24th May

Becoming a School Trustee

What do trustees do?

School trustees have a very important role in making sure every child at the school can reach their highest possible standard in educational achievement.

Here are some of the things they do:

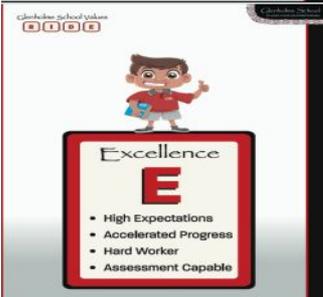

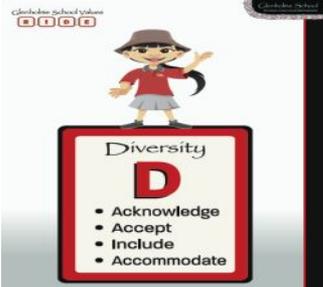

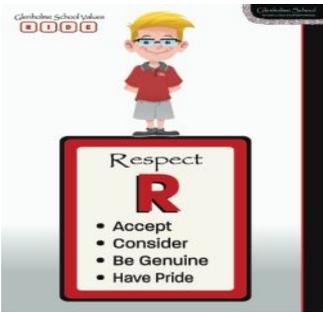

- Work with the principal and consult with staff, students and the community
- Set the educational goals and strategic direction of the school
- Monitor progress and inform parents on how the school is progressing against its annual targets and on the development of the students
- Decide how the school's funding will be spent
- Select the school's principal and support the development of all staff
- Ensure the school is a physically and emotionally safe place for all students and staff, and is inclusive of and caters for students with differing needs
- Oversee the management of staff, property, finances, curriculum and administration.

What sort of skills do trustees need?

Trustees are active leaders in their schools and need a balance of skills and experiences. They need to work well in a team, be able to put plans in place for the school's future, ask challenging questions and have good communication skills. It helps to have strong links to one or several of the school's communities, as well as an understanding of financial matters and the education sector, and experience in managing people.

How do I become a trustee?

There should be information about who is on the board and how to make contact on your school's website. You can also ask your school about going along to a board meeting to see how it works. The board chair or any other board member can also answer questions about what the board does. Contact your school if you want to find out about standing for election, nominating someone else or voting in the election - they will be happy to help.

Naming School Uniform

Parents please check that your child's name is visible on their school uniform. We have noted that recent school uniform items that have been in the lost property have been named but now the name is unreadable. Over a period or time the ink has slowly washed off and is now impossible to decipher.
