Healthy Lunches in School Programme Rotorua Intermediate. 2020 & 2021.

Please be advised that Rotorua Intermediate is part of the Government's **healthy and nutritious lunches** trial period, starting February 3 2020. This will mean **free healthy and nutritious lunches being provided to all of our students, each day, five days a week**. This opportunity will no doubt have a positive impact on student's wellbeing and learning,

All lunches will be prepared on site, and delivered to classrooms during the latter part of our lunch break. Students will be seated to eat, and once finished, be able to continue with their learning programme. All recyclable materials and food waste will be collected and disposed of appropriately by the contracted Libelle providers.

Students and parents/ caregivers will have access - (via Emails, School App & Facebook) to the menu a week prior to daily orders being taken. Note, the option of your child receiving a free healthy lunch, or not, is yours. It is not compulsory for your child to participate.

If you wish to contact me for further clarification please do so principal@rotorua-intermediate.org.nz or 348 9888.
