School Donations

Glenholme School has opted in to the Government's donations scheme. This means we will not ask parents for any donations (gifts/koha), except for overnight camps. The BOT has very kindly covered the cost of overnight camps in the past to ensure that every child is able to take part.

Anyone can **choose** to make a donation to the school at any time. Donation tax credits can be claimed and GST is not payable.

Glenholme School Gates

For the safety of our children:

The Ranolf Street gates are now in working order and will be **auto locked** during the times of 8.30am - 9.00am and 2.45pm - 3.10pm.

Parents are required to park outside the school grounds when dropping off or picking up children.

The car park is for STAFF only.

Sun Hats

Students must wear a sunhat in term one when they are outside. Restricted play will be enforced for students without a sunhat. Could you please provide your child with a named sunhat.

Parking

Please be mindful of the safety of the students when you are driving to school.

A reminder to parents and caregivers who are dropping off or picking up children you need to park on the road on either Miller Street or Ranolf Street. Please also use the pedestrian crossing when you are crossing the road, this is a good example to the children.

Coronavirus – what you need to know

While we are still learning more about this new virus – we do know the risk of the virus spreading in New Zealand is very low

How worried should I be?

- Your chances of catching the coronavirus in New Zealand are very low.
- It is highly unlikely you will catch the virus
 - walking down the street,
 - in a supermarket or
 - on public transport.
- Coronavirus is slightly more infectious than the flu – you are only likely to catch it if you are close to someone with the virus. Most people catch the virus from someone at home, a close workmate or someone they spend time with.
- People will not be moving around the community if they are suspected of having the virus – they will be in isolation. Their family and anyone they may have infected will also be asked to stay at home.

How serious is coronavirus?

- People are being infected, mainly in China, but only a very small number have died.
- Most people have a mild illness.
- People of all ages are being infected, but older people and those with medical conditions seem most likely to get seri

How do I protect myself and my family?

Everyone should protect themselves from the virus, as you would for the flu –

- Washing your hands regularly, or using hand sanitiser, is the best way to avoid this illness.
- As with other illnesses, do not go to work or school if you are sick.
- Cover coughs and sneezes with tissues or clothing, and wash hands afterwards
- Avoid being close to people who are sick
- Wear a mask only if you are coughing and sneezing.
- Washing your hands often and covering coughs and sneezes will do more to protect you from the virus than a mask.
- If you are sharing food, use utensils to serve the food and keep your personal spoon, fork, or chopsticks separate to avoid transmission through saliva.

Where can I find more information?

Information is updated on the Ministry of Health website.

You can also call your local doctor or Healthline on 0800 611 116.

Glenholme School

Our school has been working with SchoolDocs to create a website for our policies and procedures. We are excited to announce that the site is live and available to our school community.

The school works on a subscription basis with SchoolDocs to maintain, update, and review our policies. SchoolDocs provides us with a comprehensive core set of policies, which have been well researched and follow the Ministry of Education National Administration Guidelines. The policies and procedures are tailored to our school, and the school supplies specific information such as our charter, and procedures for behaviour management, reporting to parents, etc.

SchoolDocs updates, modifies, or creates policies in response to changes in legislation or Ministry guidelines, significant events, reviews/requests from schools, and regular reviewing from the SchoolDocs team. Our board of trustees has the opportunity to view changes/additions and comment on them before they are implemented. We will advise you when policies are up for review and how you can take part in the review.

We invite you to visit the site at: <https://glenholme.schooldocs.co.nz> (note that there's no "www."). Our username is "glenholme" and password "glenholme".

**36,000+ children, educators and whanau have seen it ... and now the
ALL NEW 2020 MATARIKI SHOW is coming to you!**

"Thank you for putting on a great show. It was so great it nearly blew my shoes off!" -Josh (PAPAKURA CENTRAL SCHOOL, 2019) *"If Matariki Glow Show is a small child's first experience of theatre, then they will be very lucky. A fun and entertaining feast with a wonderful can- temporary story of Aotearoa." -Cate Presridge (THEATREVIEW MAY, 2019)*

WHAT IS THE MATARIKI GLOW SHOW?

It's literally legendary! A giant scale puppet show for tamariki with magical glow-in-the-dark characters from Māori myth and legend. This innovative, cutting edge concept features 40+ glow-in-the-dark puppets under ultraviolet light in a black box theatre environment.

Rich in Te Reo Māori, it's an upbeat 45-minute show with catchy music that has the audience buzzing from the onset. There's an abundance of educational content to unpack for MATARIKI with a Q&A session afterwards and resources online at www.glowshow.co.nz

In an ALL NEW SHOW for 2020 show we're going under the sea! Puhī the Kina goes on a journey of discovery across the Pacific to Aotearoa. Helped by Hiwa-i-te-rangi (the Matariki wishing star) she meets many delightful (and not so delightful!) characters. He waka eke noa – we're all in this together!

MATARIKI GLOW SHOW will be at Energy Events Centre, ROTORUA, Tuesday 9th June!

Term 2 / Week 7

10.00am & 11:30am – 1 day only so don't miss out!
