Healthy School Lunches Programme

We are really excited to let you know that our school will be joining the healthy lunch programme from Term 4 this year.

All parents want to provide their children with a lunch every day. But, as you will know, there are many reasons parents can struggle, often through no fault of their own. We know that some of you will have been particularly affected by the economic impact of the COVID-19 pandemic. Offering a lunch for all our tamariki will go some way to helping families and whānau to support their tamariki. This is why we have decided to take part in the programme.

Lunches will cater for the diet, health and cultural needs of our students, and we will work with suppliers and the Ministry of Education to make sure they are healthy and nutritious. All suppliers will be required to meet New Zealand food safety standards.

The lunches will be available for all our students. So far we have been invited to join the programme and will now start talking to suppliers.

The programme will run until the end of 2021. The Government will collect information from the pilot to decide if they continue beyond 2021. You can find out more information at www.education.govt.nz/free-and-healthy-school-lunches

Fire, Earthquake and Lockdown Drills

Every term we have planned drills for events such as a Fire, an Earthquake, or if we need to go into Lockdown.

We know that by having these drills our tamariki will know how to respond if we find ourselves in one of these situations.

Big Brother, Big Sister Programme at Glenholme School

Big Brothers Big Sisters is about making a difference to the young people of Rotorua through quality mentoring relationships.

Their Vision is to provide every child the opportunity to experience safe positive mentoring relationships.

Their mission is to improve the lives of children and youth through professionally supported mentoring relationships.

Big Brothers Big Sisters has been operating in New Zealand as a youth mentoring program since 1998. Each year over 800 young people benefit from the friendships of the men and women who have volunteered to be their mentors. Through simple friendship, mentors experience the joy of helping children discover a world of possibilities and opportunities.

This year we have staff members from PF Olsen who are mentors to students at our school on the Big Brother, Big Sister Programme. They were all ready to start prior to Lockdown and since we have returned to school all our volunteer mentors have visible here at school spending time and completing wonderful activities with students.

Sports News

Update regarding after school and Saturday morning sports - MINIBALL, NETBALL and HOCKEY

*The **miniball** season is well underway. We initially had two teams entered in the Friday night competition but had to pull the Year 3/4 due to players changing their mind and no coach for the team.*

We wish our Year 5/6 team 'Glenholme Eruera' and their coach Eliana Maxwell all the best for the season.

*We have three **netball** teams entered in the competition which starts in week 2 of Term 3 (next term). The Primary School competition is a shorter season this year. The Year 1-4 teams will play on Monday afternoon and the Year 5/6 teams will play on Tuesday afternoon.*

Hockey starts up next term for the Primary School competition on Saturday 25th July for the Year 3-6 teams and on 8th August for Year 1 & 2 students (Fun Sticks). Updated notices with this information and the fees were sent out on Wednesday. Please ensure these are returned to school by Monday 22nd June. Just a reminder that any sports fees can be paid at the office or via the internet to the school bank account; 03-1552-0169770-00.

Kapa Haka

We are hoping to start Kapa Haka up this term firstly with a lunchtime hui for those tamariki interested. We know many of our tamariki are super keen to be part of the Glenholme School Kapa Haka roopu. When Kapa Haka does start up there will be two lunchtime practices in Terms 3 and 4 and possibly an afternoon practice. Everyone is welcome to join.

We encourage new members as well as the tamariki who were in the roopu last year. Students will be informed of the first hui via the daily notices to all classrooms. Have a chat to your child over the next week about whether they would like to be in the Kapa Haka roopu this year, kia ora.
