Back to school stationery – order now!

We've teamed up with OfficeMax again this year to make getting school ready faster! Your child's class list is available now on the OfficeMax MySchool website – myschool.co.nz.

We encourage you to order early to ensure your child has all their stationery requirements ready to go for the start of Term 1. Don't wait until mid-January when the 'team of 5 million' get home from holiday - order now and avoid the back to school rush.

This year OfficeMax have introduced Laybuy*, so you can pay in 6 weekly, interest-free instalments - and still get your order right away. Or you can pay by internet banking, credit card or debit card.

When you shop on myschool.co.nz you'll receive free delivery on orders over \$46*. You will also help our school earn school rewards* that we use to purchase much needed extra resources for our school.

The advertisement for OfficeMax MySchool features a teal background. At the top is the OfficeMax MySchool logo. Below it is a circular image of a woman with brown hair tied back, wearing a green shirt, looking down at a smartphone. A cup of coffee sits on the table in front of her. Below the image, the text 'Got five minutes?' is written in large white letters. This is followed by the text 'Your child's back to school class list is ready to shop now at myschool.co.nz or call us Mon to Fri, 8.30am – 5pm.' At the bottom, the website myschool.co.nz is displayed in white on a green background.

Head Lice Information

Unfortunately head lice has been detected in a number of classrooms.

Head lice is a common yet unfortunate ailment for children; however left untreated it can cause huge concerns for the child, parents, class and the school.

Glenholme School would appreciate if all parents/caregivers would check your child's hair and if necessary take appropriate steps to treat any head lice.

If your child has head lice please do not send them back to school until they have been treated.

Untreated children may be referred to the Public Health Nurse to avoid continual re-infestation of class members.

Please report any new cases to the school office, as we will endeavour to notify parents.

Very effective treatments are readily available from chemists however a combing method is attached as an alternative to the often costly products available.

Please be vigilant and remember we need parents to be proactive for at least two weeks to break the head lice life cycle.

ATTENTION PARENTS

Summer is here and so is our school hat stock

Lunchtime Disco - Friday the 27th of November 2020

Students are encouraged to support the Salvation Army by donating any can of food in exchange for entry into the lunchtime disco on Friday the 27th of November 2020. The HITS 97.5 FM bus will pick up all the cans and deliver them to the Salvation Army.

The disco will be held in the school hall from **12.50pm to 1.30pm**. Students will gain entry to the disco by bringing along a can of food to donate. If you would like to donate more than one can to this worthy cause, we would greatly appreciate it.

Sports News

Congratulations to the 31 tamariki that represented our kura at the Athletics Event last week. What an amazing group of tamariki to be away with on a sports event. Our tamariki competed to the best of their ability with a few of placing in their chosen track and field events (see results below). A HUGE thank you to Whaea June, Justine Hawkins, Matua Che and Matua Mark for their support on the day. Everything ran smoothly and no one missed an event thanks to your efforts. Thank you also to Whaea Kylee for organising the sports uniforms and to Matua Andrew for setting up and packing away our base for the day. This was the last school sports event for the year and what a way to end!
