Mufti Day Friday 29th March

The Young Leaders are organising a Mufti Day next Friday the 29th of March, to raise money for the Christchurch Muslim families impacted by the tragic events of Friday the 15th of March. We have chosen a bright, multi-coloured dress theme to embrace and celebrate the diversity of cultures within Glenholme School and New Zealand. We ask that each child bring a gold coin donation to support this worthy cause. Thank you

School Journal Books

Kia ora whanau, can you please have a look around at home for any readers and School Journal books. These are not the books the tamariki are currently reading for homework but books that have gone home since the beginning of the term. We have done a stock take and there are still a few missing. Teachers look forward to getting these back before the end of term and appreciate your support with sending these back to school, thank you.

Teacher Only Day

School will be closed for instruction on Friday 12th April (Last day of Term 1). Staff will be undertaking professional development on site.

PhotoLife Class, Individual and Family Portrait Photographs

Class and Portrait Photographs will be taken at Glenholme School on Tuesday 2nd April. Envelopes have been sent out. Photo orders are taken on a pre-paid basis by completing the order envelope. Complete one envelope for each child and return to school before photo day.

- One envelope for each child.
- Please do not enclose one envelope inside the other... it will be missed.
- You can pay for more than one child's photograph on the same cheque, as long as each child has an envelope completed.
- **Sibling portraits**—for a special photo of your children together collect a “Sibling Envelope” from the school office.
- PhotoLife only photograph children who are enrolled at Glenholme School and Awhi Educare..

All money for photos must be returned in the envelopes

Payments can only be made directly to PhotoLife

A big THANK YOU to Whaea Kylee in the office who organises all the sports uniforms throughout the year for our tamariki. Whaea Kylee ensures that every student has the correct uniform for after school sports teams and those that represent at the Interschool competitions. We appreciate the time she takes to keep records of what is going out, and what is handed back in. Our students always look incredibly smart in the Glenholme School sports uniform which fosters pride, respect and identity.

Reminder: All touch uniforms now need to be returned to school. Please give to the teacher in charge; Whaea Jodene - Year 3/4 Teams and Matua Mark - Year 5/6 Teams, thank you.

Note: All sports fees can be paid directly to the office or via the internet. The school bank account is 03-1552-0169773-00. Please remember to include your child's full name, room and the 'sport/activity' (eg, miniball, netball, hockey, jump jam).

Becoming a School Trustee

What do trustees do?

School trustees have a very important role in making sure every child at the school can reach their highest possible standard in educational achievement.

Here are some of the things they do:

- Work with the principal and consult with staff, students and the community
- Set the educational goals and strategic direction of the school
- Monitor progress and inform parents on how the school is progressing against its annual targets and on the development of the students
- Decide how the school's funding will be spent
- Select the school's principal and support the development of all staff
- Ensure the school is a physically and emotionally safe place for all students and staff, and is inclusive of and caters for students with differing needs
- Oversee the management of staff, property, finances, curriculum and administration.

What sort of skills do trustees need?

Trustees are active leaders in their schools and need a balance of skills and experiences. They need to work well in a team, be able to put plans in place for the school's future, ask challenging questions and have good communication skills. It helps to have strong links to one or several of the school's communities, as well as an understanding of financial matters and the education sector, and experience in managing people.

How do I become a trustee?

There should be information about who is on the board and how to make contact on your school's website. You can also ask your school about going along to a board meeting to see how it works. The board chair or any other board member can also answer questions about what the board does. Contact your school if you want to find out about standing for election, nominating someone else or voting in the election - they will be happy to help.

Help make our roads safer - Blue Light driving programme

Do you have a couple of spare hours every week to spend with a young person who needs to get their driving hours up?

Perhaps you have a friend/neighbour/family member who might fit the bill?

Blue Light run a driver mentoring programme that helps support young people through the graduated driver licence system, all the way to their full licence. We provide the vehicle, education and money for testing, we just need some help from local volunteers. Each of our volunteers is matched with a young person to head out in our car each week. You don't need to have previous experience in teaching people to drive, we will help train you.

We are running a no obligation info evening so that you can come and hear all about it. Please share this email with your friends/neighbours/family members, so that we can get a few interested people along to:
