17th May Pink Shirt Day - Mufti Day

The Young Leaders will be running a Mufti Day on Friday the 17th of May to celebrate 'Pink Shirt Day'. Students will wear mufti (something pink if possible, but it's not compulsory) in exchange for a gold coin donation. All proceeds will go to the Mental Health Foundation.

Pink Shirt Day is about working together to stop bullying by celebrating diversity and promoting positive social relationships. It's about creating a community where all people feel safe, valued and respected, regardless of age, gender identity, sexual orientation, ability, or cultural background. The Young Leaders believe this is a worthy cause to donate to. They appreciate your support!

CASTING FOR FEATURE FILM COUSINS!

Kia ora!

We are the team who cast BOY and are excited to be working on a Feature Film called COUSINS directed by:

Ainsley Gardiner https://www.imdb.com/name/nm1189390/?ref=fn_al_nm_1

& Briar Grace Smith https://www.imdb.com/name/nm1065342/?ref=nv_sr_1?ref=nv_sr_1

This film is going to shoot in the Rotorua & Wellington regions over September & October. We are keen to search for our lead child roles from the Rotorua greater region.

This project is being made with the support of the NZ Film Commission alongside Māori TV.

The film is a drama based on the book Cousins written by Patricia Grace. Connected by blood but separated by circumstances, three cousins spend a lifetime in search of each other. We follow these lead roles as girls growing into women over their lifetime.

We would very much like to visit your school and observe girls in this age range to see if they would be appropriate to audition as we are matching up to other actors playing the same roles as they age in life.

We are looking for:

Māori girls aged 6 yrs to small 12yrs.

We are hoping to scout at your school and visit children to see who best fits the roles and approach them to audition if they are keen.

We are hoping to do a quick acting test alongside teacher supervision. If chosen to audition we will give your child a letter to bring home with them for an audition. Please advise us if you would prefer for your child not to be considered?

Thank you for your support of this film.

Ngā mihi,

Ngapakī & Angela

HAVE YOU HAD YOUR SAY ON ROAD SAFETY?

School parents have made over 250 comments on the [Safe Ways to School survey](#). Have your say before it is too late.

Our school is participating in the Ways to School survey. The survey is designed to help us understand preferred routes, barriers and safety issues that parents have getting kids walking and cycling safely to and from our school, and opportunities for improvement. Use a fun interactive map, to drop pins on area you'd like to comment on or see improved. We suggest doing this with your children so that you can discuss safety hazards with them and record any suggestions that they may have too.

Winter Sports

We are delighted with the number of tamariki that are in netball, hockey and miniball teams for the winter sports season which goes through terms 2 and 3. Thank you to the teachers in charge of managing the teams and a **BIG** thank you to the parents and whanau that have offered to coach teams. We appreciate you supporting our tamariki and would like to acknowledge the parents and whanau who have volunteered their time to coach year after year. If you are interested in coaching or co-coaching please let Whaea Susan our Sports Coordinator know. It would be great to see new parents volunteering to help out. You do not have to be an expert at the sport at this level or have played the game yourself just a keen interest in learning and encouraging our students on competition days. Please think about whether you would like to give co-coaching a go next time you are standing on the sideline watching - could be a very rewarding and fun experience for you.

Netball

****A decision has been made to have one senior netball team so we will be amalgamating the two teams that were initially registered for the season. Our senior netball team will be called Glenholme Tarawera.*** Just a reminder that the junior (Year 0/1/2) and the Year 3 & 4 teams play on Monday afternoons and the senior team (Year 5 & 6) play in the Saturday morning competition.

Miniball

Just a reminder that the Sportsdrome is unavailable for the following 2 weeks so the next round of miniball games will be on Friday May 24th.

Five Year Old New Entrant Pre-Enrolments

Glenholme School welcomes new arrivals to the school.

Parents of students who live within the home zone and intend enrolling their child at any time during the year should notify the school to assist the school to plan appropriately for the next terms.

We would like to encourage parents to contact Mrs Molly Norton (Deputy Principal) to confirm future student enrolments. To help determine future classroom placements, it is vital that the school has as much information as possible about future students. Enrolment forms are available at the school office or you can contact Mrs Norton Deputy Principal 348-1489 ext 203 or email

Becoming a School Trustee

What do trustees do?

School trustees have a very important role in making sure every child at the school can reach their highest possible standard in educational achievement.

Here are some of the things they do:

- Work with the principal and consult with staff, students and the community
- Set the educational goals and strategic direction of the school
- Monitor progress and inform parents on how the school is progressing against its annual targets and on the development of the students
- Decide how the school's funding will be spent
- Select the school's principal and support the development of all staff
- Ensure the school is a physically and emotionally safe place for all students and staff, and is inclusive of and caters for students with differing needs
- Oversee the management of staff, property, finances, curriculum and administration.

What sort of skills do trustees need?

Trustees are active leaders in their schools and need a balance of skills and experiences. They need to work well in a team, be able to put plans in place for the school's future, ask challenging questions and have good communication skills. It helps to have strong links to one or several of the school's communities, as well as an understanding of financial matters and the education sector, and experience in managing people.

How do I become a trustee?

There should be information about who is on the board and how to make contact on your school's website. You can also ask your school about going along to a board meeting to see how it works. The board chair or any other board member can also answer questions about what the board does. Contact your school if you want to find out about standing for election, nominating someone else or voting in the election - they will be happy to help.

Naming School Uniform

Parents please check that your child's name is visible on their school uniform. We have noted that recent school uniform items that have been in the lost property have been named but now the name is unreadable. Over a period or time the ink has slowly washed off and is now impossible to decipher.
