CBOP Rippa Rugby Tournament

Good luck to our Year 3/4 Team and our Year 5/6 Team representing the school on Friday 7th June (tomorrow). The tamariki have been training at morning tea and lunchtime with Matua Erik and are very excited and ready to compete in the annual tournament tomorrow. If our teams are successful and place in this competition, they will go on to the BOP Rippa Rugby Championships held in Paengaroa on Wednesday 12th June.

Central School Cluster Cross Country

19 students aged 8-11 years will be representing Glenholme School next Tuesday 11th June at the Central School Cluster Cross Country event at Whakarewarewa School. These students came 1st, 2nd or 3rd in our School Cross Country held up at the Tree Trust a few weeks ago. We wish them all the best and encourage them to keep training right up until the event.

BOP Inter-School Squash Tournament

Good luck to Kayla Williams who will be representing the school next week on Thursday 13th June at Geyser City Squash Club for the Year 5/6 Squash Tournament.

Team Sports Photos

Sports Photos will be taken this term on Tuesday 18th June starting at 9.30am.

Five Year Old New Entrant Pre-Enrolments

Glenholme School welcomes new arrivals to the school.

Parents of students who live within the home zone and intend enrolling their child at any time during the year should notify the school to assist the school to plan appropriately for the next terms.

We would like to encourage parents to contact Mrs Molly Norton (Deputy Principal) to confirm future student enrolments. To help determine future classroom placements, it is vital that the school has as much information as possible about future students. Enrolment forms are available at the school office or you can contact Mrs Norton Deputy Principal 348-1489 ext 203 or email

GLENHOLME SCHOOL

Water Only Policy

Rationale

We care about the health of our students

Sugary drinks⁽¹⁾ are one of the most significant causes of poor oral health and contribute greatly to childhood obesity and Type 2 diabetes.

We care about their achievement

Sugary drink consumption is associated with problem behaviours. Studies have found poor diet and nutrition are associated with lower academic achievement.

Our commitment

We will ensure parents and students receive clear, consistent messages about the importance of healthy choices and the impact of sugary drinks by:

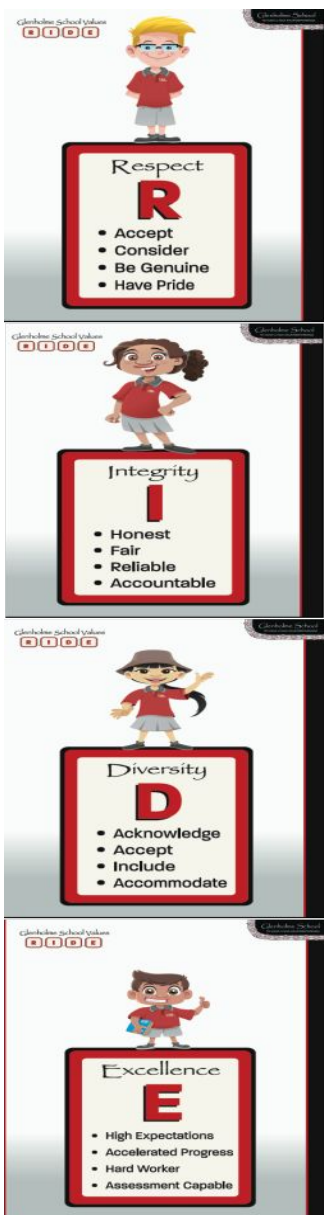

- continuing to educate students about the importance of healthy drink choices and the benefits of consuming water
- actively promoting water as the best option in school publications
- ensuring staff commitment to model healthy drinking habits.

And we will create an enabling environment by:

- actively discouraging sugary drinks being brought to school by students
- providing water (and plain reduced fat milk) as the only drink option for students
- allowing students access to water during class time
- not associating our school with programmes that promote sugary drinks
- ensuring school lunch options don't include sugary drinks
- ensuring sports teams will only use water as their source of hydration
- not selling sugary drinks as part of sausage sizzles, the school gala or other celebrations.

(1) Any beverage that contains added caloric sweetener usually sugar. The main categories of sugary drinks include soft-drinks/fizzy-drinks, sachet mixes, fruit drinks, cordials, flavoured milks, flavoured waters, cold teas/coffee, and energy/sports drinks

Walking School Bus

Thank you to all of the parents who responded to the Safe Ways Survey which was sent out earlier in the term.

One of the things that we would like to explore with parents is setting up a Walking School Bus for our children.

We will be having a meeting in the School Library on Wednesday 26th June to map out possible points for the bus to leave from and the number of children who would like to join the bus.

If you are keen for your children to be involved please come along to the meeting.

- ★ Wednesday 26th June
- ★ Glenholme School Library
- ★ 5.30pm

Next term there will be another Hikoi to school event and a biking to school event. Please keep an eye out in the Newsletter for these to be advertised.

How to make sure your vote counts in the School Trustee Elections

[Back to Media releases](#)

5 June 2019

New Zealand Post would like to reassure parents, returning officers, and the New Zealand School Trustees Association that we are making all endeavours to ensure that voting papers returned by mail receive a date stamp to ensure they are counted.

There are a few things that eligible voters can do to help make sure their vote is counted in the School Trustee Elections.

- If returning your vote by mail, try and get it into the post as soon as you can. Our delivery target for letters is up to three working days nationwide.
- Check that the envelope you're using is prepaid, or if there is no postage applied, make sure you place a stamp on it.
- If the address on the envelope is a street address, check that this is a valid postal address by using our address and postcode finder tool on our website. Some street addresses don't receive mail delivery and may require you to use a PO Box address to ensure there are no delays.

There is no legislative requirement for New Zealand Post to date stamp domestic mail, and our priority is always to deliver letters within our delivery target of up to three working days. If we encounter difficulties with a date stamping machine - which can happen on occasion due to the nature of technology - letters are processed without a date stamp to ensure they are delivered within target, rather than delayed. However, we can say that the vast majority of mail is date stamped.

If you are not returning your vote by mail, follow the advice from the School Trustee Association and deliver this directly to the school.

Naming School Uniform

Parents please check that your child's name is visible on their school uniform. We have noted that recent school uniform items that have been in the lost property have been named but now the name is unreadable. Over a period of time the ink has slowly washed off and is now impossible to decipher.
