## YOUNG LEADERS - THE WATTIES CANS FOR GOOD FUNDRAISER

The Young Leaders are promoting 'The Watties Cans for Good' fundraiser, on Wednesday the 7th of August. Students are encouraged to bring any can of food to school, (**doesn't have to be Watties**) and in exchange be able to wear their pyjamas at school for the day. This is a such a worthy cause, and as you know there is always a shortage of food for our families in Rotorua. If you would like to donate more cans, that would be wonderful. All cans will be donated to our local Salvation Army. Thank you!

## Message from the Police

The Police have received some complaints about unsafe behaviour by students crossing roads near Malfroy and Old Taupo Roads, especially near the West End traffic lights. These students could be from Glenholme School and other schools in this area.

A reminder to all students about how to behave safely on and around our roads, and that often younger children will follow their lead, and may end up crossing in unsafe places, and sometimes following bigger faster kids over the road, but not being as fast.

A reminder a to all students walking to school about being safe, and to use the pedestrian cross signals at the Westend lights.

**They will be increasing the number of police patrols near this intersection**

## National day of support for principals - Friday 9th August

The teachers and support staff of Glenholme School are joining with their colleagues all over the country on 9 August to call on the government to give primary and intermediate principals a fair deal. We need your support as we stand up for our principal, and all principals.

Teachers recently won pay parity with their secondary colleagues, because a teacher is a teacher, regardless of the age of their students. But the government refused to give primary and intermediate principals parity with principals of comparably sized secondary schools, or any support for growing workloads. In small schools, principals are doing a complex job but often without any extra support, and while teaching as well. These principals are often paid less than some teachers in large schools.

We're calling on the Government to do the right thing by principals. It's only fair.

On 9 August, teachers and support staff will be wearing Green. Please come out and support the principals of Aotearoa, who do such a vital job leading the teaching and learning in our schools.
