You are invited to attend a whānau hui/information evening where Dr Melinda Webber will have a presentation about her project to you.

This project will provide us with information which is particular to our school and we will also contribute to the national findings for this study.

Glenholme WSB (Walking School Bus)

- We have 2 Walking School Bus routes running this term (see map below)
- There is an assigned coordinator for each route. Thank you very much to Jo Watton and Heather Dennison who have volunteered to be the co-ordinators. We appreciate you supporting the school with this new initiative.
- Georgie Griffiths from RLC (Rotorua Lakes Council) will liaise with the coordinators during the term.
- The coordinators of the Green and Red routes have a list of children signed up to walk with them and the days they want to walk. For now the buses will run on Mondays for the Green route, and Wednesdays for the Red route.
- The ***Glenholme WSB sign up information document*** is held at the school office. It has the guidelines, sign-ups, routes and consent forms all within the one document. If you are interested in your child being on one of the walking school buses please make sure you grab one from the school office. The consent part of the form needs to be returned to the office as soon as completed, thank you.
- Any parents, caregivers or whanau interested in volunteering as a coordinator please let Georgie know via her email ***Georgie.Griffiths@rotorualc.nz***
- If you have any queries please contact Whaea Susan - sswanneason@glenholme.school.nz.
