Mufti Day - Tomorrow Friday 30th August

This Friday, the 30th of August, we had advertised a fundraiser for Daffodil Day, a worthy cause that raises money to support cancer patients and their loved ones. However, recently it came to our attention that a staff member at Glenholme School, who is battling cancer, needs to raise thousands of dollars to pay for medication, that is currently not funded by the government. We have decided to put Daffodil Day on hold this year and instead support one of our own wonderful staff members, by holding a Mufti Day for her tomorrow - Friday. We encourage students to wear something yellow to show their support and brighten her day. In exchange for wearing mufti, students are asked to bring a gold coin donation or more. All proceeds will go directly to the staff member to help with her medical expenses. We appreciate your support and generosity!

ENROLMENT SCHEME 2020

Enrolment at Glenholme School is governed by an enrolment scheme, details of which are available from the school office.

The board has determined that the following spaces are likely to be available for out-of-zone students next year.

Year 1 10

Year 2 10

Year 3 0

Year 4 0

Year 5 8

Year 6 0

The exact number of places will depend on the number of applications received from students who live within the school's home zone.

For students seeking enrolment within the first enrolment period, the deadline for receipt of applications for out-of-zone enrolments is 15th October.

Parents of students who live within the home zone and intend enrolling their child at any time during the next year should notify the school by 15th October 2019 to assist the school to plan appropriately for next year.

If the number of out of zone applications exceeds the number of places available, students will be selected by ballot on the 30th October.

During the year if a ballot is required it will be held during Week 8 each term.

Parents will be informed of the outcome of the ballot within three days of the ballot being held.

Sarah Thompson
Principal

Glenholme School SCHOOL UNIFORM AND DRESS CODE

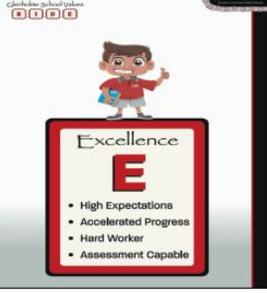

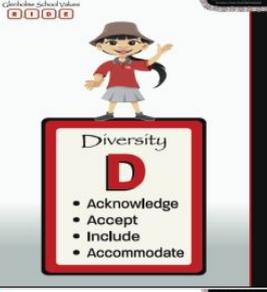

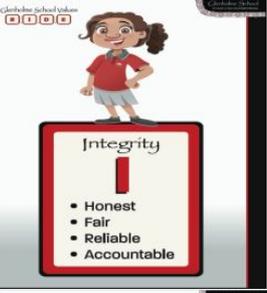

Compulsory School Uniform for all Year 0-6 students. The dress code has been designed to give students a wide choice of options whilst maintaining a school identity. Parent's select from the range of items available what is appropriate for their child / ren

- School Uniform Sun Hat for Yr 0-6 students in terms 1 and 4
- Shoes or sandals are to be plain black
- Socks are to be plain black
- Girls winter tights to be black
- Polypropylene or thermals (winter months) worn under the school uniform must be black

Notes:

- All new enrolments must start Glenholme School in full uniform.
- Students must wear regulation school uniform, non uniform items similar in colour and style are not acceptable.
- Except in an emergency, students must wear correct dress code. Parents must write a letter of explanation if their child wears non school uniform clothing or footwear, stating the reason. Your child presents the letter to school management in the morning.
- When a student comes to school with incorrect uniform and without a notice of explanation, parents are contacted and asked to collect their child, and take them home to dress them correctly and then return them to school.
- Any non uniform clothing items will be confiscated and must be collected by the student at the end of each day or by parents.
- The school accepts no responsibility for any non uniform clothing items which are confiscated.
- All school uniform items should be clearly named.
- The only jewellery items to be worn are medic alert ID, small stud earrings, a wrist watch or items of religious or cultural significance.

A reminder to all students that the only jewellery items to be worn at school are a medic alert ID, small stud earrings, a wrist watch or items of religious or cultural significance.

GLENHOLME SCHOOL

Water Only Policy

Rationale

We care about the health of our students

Sugary drinks⁽¹⁾ are one of the most significant causes of poor oral health and contribute greatly to childhood obesity and Type 2 diabetes.

We care about their achievement

Sugary drink consumption is associated with problem behaviours. Studies have found poor diet and nutrition are associated with lower academic achievement.

Our commitment

We will ensure parents and students receive clear, consistent messages about the importance of healthy choices and the impact of sugary drinks by:

- continuing to educate students about the importance of healthy drink choices and the benefits of consuming water
- actively promoting water as the best option in school publications
- ensuring staff commitment to model healthy drinking habits.

And we will create an enabling environment by:

- actively discouraging sugary drinks being brought to school by students
- providing water (and plain reduced fat milk) as the only drink option for students
- allowing students access to water during class time
- not associating our school with programmes that promote sugary drinks
- ensuring school lunch options don't include sugary drinks
- ensuring sports teams will only use water as their source of hydration
- not selling sugary drinks as part of sausage sizzles, the school gala or other celebrations.

(1) Any beverage that contains added caloric sweetener usually sugar. The main categories of sugary drinks include soft-drinks/fizzy-drinks, sachet mixes, fruit drinks, cordials, flavoured milks, flavoured waters, cold teas/coffee, and energy/sports drinks

Principal Awards

Awarded to students making exceptional effort and or achievement at school, therefore deserving of acknowledgement and recognition. Presented to recipients on Friday 6th September at Assembly.

Whakapoungakau Team

A1: Deja Te Whau-Meelker for being a positive role model in A1. She is a humble and supportive student who is very focused and always works to her absolute best. Deja practices all our school dispositions and values both in and outside of the classroom. She is considerate and thoughtful of others, and has gained respect from her peers. Deja's overall attitude is exemplary. A1 is proud of you Deja. Well done.

A2: Noah Maxwell for being a focused and independent student who is doing very well in all curriculum areas. Noah understands what is required to achieve his Learning Intentions and Success Criteria. Noah has set goals for his reading, writing and mathematics. He did an excellent job at sharing his progress with his whanau during parent teacher discussions. Noah is reliable and trustworthy both in and out of the class. He strives for excellence in all he does. Noah is a valued and awesome member of A2, we are very lucky to have you Noah. Ka rawe!

A3: Zelda Isaac for being a motivated and engaged learner in A3 since the start of term 3. Zelda, as the year has progressed you continually demonstrate a positive attitude towards your learning. You are eager to ask for help when you need further support, you contribute fabulous ideas during class discussions and you are always willing to help others. A3 and myself are very proud of how hard you are working towards achieving success.

A4: Tyler Paul for being a fantastic young leader for Glenholme School. He always works hard in class and attempts every task with great thought. He continually demonstrates a positive attitude towards learning and asks great thought provoking questions. Tyler is always eager to attempt challenging work and uses this to extend his learning. Ka mau te wehi Tyler, we love having a respectful, hard working student in A4.

A5: Morehu Thompson for being a motivated and hardworking learner in A5. He knows what his learning intentions are for each subject and quietly works towards understanding and following the success criteria that is linked to his learning intention. Morehu demonstrates many of Glenholme Schools learner dispositions. He is a risk taker and thinker and great at self regulation and he is always happy to collaborate with his peers. Morehu is a resilient and lovely member of A5, and we are lucky to have him as part of our learning community.

Principal Awards

Awarded to students making exceptional effort and or achievement at school, therefore deserving of acknowledgement and recognition. Presented to recipients on Friday 6th September at Assembly.

Tihiotonga Team

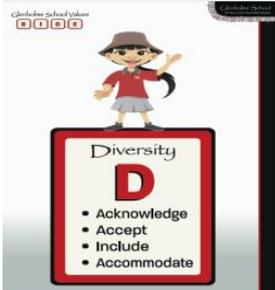

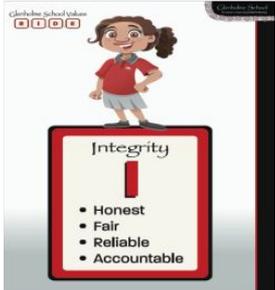

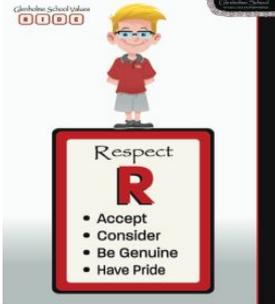

B1: Beylie Tiopira - Amohau for being a self regulator. You will always try your best and complete your work to the best of your ability. You are beginning to respond to feedback given by the teacher and are prepared to ask for assistance if you do not understand what is required. Well done Beylie. Keep up the good work.

B2: Verah Villanueva for being a motivated self-regulator who is always organised and focused on her learning. She manages her work superbly, understanding her learning intentions and success criteria. She has not been at Glenholme School long but models all of our school values consistently. We are thrilled to have Verah in B2!

B3: Tamati Fraser for continuing to display the Dispositions of Self-Regulator and Thinker, especially during Maths time. Tamati uses a variety of strategies to solve problems and shows perseverance when he is stuck in the learning pit. He regularly contributes to discussions and shares his ideas with increasing confidence. Well done Tamati and keep striving for Excellence!!

B4: Lily White for being a respectful, polite, well mannered young lady who interacts well with all her classmates. Lily is learning to read with fluency and expression. She is able to use punctuation to help her read and to change her voice when she notices the bold print in text. Lily is a self-regulator who consistently stays on task and is always exhibiting our Glenholme values. Pai rawa atu Lily.

B5: Owen Wei for making great progress in all areas of the curriculum. Owen you try hard to read, speak and write in English. You work hard every week to learn your spelling words and are beginning to write these words by yourself at writing time. Owen you are a well mannered, hard working boy in B5 who always tries his best. Keep up the excellent effort.

Principal Awards

Awarded to students making exceptional effort and or achievement at school, therefore deserving of acknowledgement and recognition. Presented to recipients on Friday 6th September at Assembly.

Pukeroa Team

A6: Harper van der Vlugt for displaying the value of Excellence. Harper consistently tries her very best in all learning areas. She takes her time when completing tasks and presents her work to a high standard. Harper also displays enthusiasm and determination when she is in the learning pit by tackling new challenges with a persevering attitude. This has seen her excel in all curriculum areas. A6 is super lucky to have such a happy role model in A6! Keep up the champion attitude!

C6: Natalie Sewell for being a risk taker and thinker in Maths! She has been using her place value knowledge to add and subtract groups of tens and solve word problems. Natalie your enthusiasm and joy you demonstrate when you work hard and achieve the success criteria is fabulous to see. Keep up the hard mahi, we are proud of you! **C7:**

Mackenzie Young for having a very positive attitude to your learning this term. Mackenzie shows the Glenholme School learner dispositions. She is a thinker, and is a self-regulator, because she takes home her reading and spelling to practice. This will help Mackenzie to make accelerated progress. Keep up your good attendance, and working hard Mackenzie.

Pukehangi Team

B6: Christopher Rangitawa for being a wonderful learner in B6. Christopher listens with good manners, contributes ideas, and completes work carefully and independently. He has gained excellent maths knowledge and is reading and ordering numbers up to 100 confidently now. Christopher is very good at supporting other students in their learning too. Keep up the great work Christopher. We love having you in B6.

C8: Nicko de Bruyn for his wonderful Maths work. Nicko, it is great to see you taking an interest in Maths. You can solve problems by counting all the objects and you are now learning to solve these addition and subtraction problems in your head. You also enjoy helping the new children identify numbers and count objects. Well done Nicko! Keep up the fantastic Maths work.

C9: Shanaya Singh for taking on the challenge of becoming a risk taker- just like Hinemoa. Shanaya is developing the confidence to try new activities and be brave enough to make mistakes. This has helped her to take next steps in her learning journey. Keep up the great progress Shanaya!!

Sports News

TOUCH RUGBY

The touch season starts in the first week of Term 4. Unfortunately there was an error on the touch notice sent home regarding the competition days for the different year levels. Please note the following correct information. ***For the Term 4 season the Year 5-8 teams will play on Tuesday afternoon and the Year 1-4 teams on Wednesday afternoon.***

We need parents/whanau to sign up as coaches in order to register teams, **No coach = No Team.** The teachers in charge of touch have held meetings, notices have been sent home and teams are now being put together. Thank you to those that have paid the \$15 fee and returned the signed Sports Uniform Agreement. We will be able to register teams that have an assigned coach. We will let the tamariki know the team they are in by the end of the term.

NETBALL

Just a reminder that all netball uniforms need to be returned to the office or to the teacher in charge of the netball team as the season is over for the year.. A HUGE thank you to the parent coaches who supported the students at trainings and at the games. We could not have entered teams into the competition without your support.

MINIBALL

The miniball season for the Friday night competition finishes on Friday 20th September. Good luck to our four miniball teams for the last few games including the finals!

HOCKEY

The hockey season goes for a few more weeks and will finish on Saturday 14th September. Our four hockey teams have had a good season so far with no cancellations! All the best for the remainder of the season tamariki.

FLIPPABALL

Flippaball starts up at the beginning of Term 4. The teachers in charge of this sport will hold meetings towards the end of the term for students interesting in playing flippaball. In order to enter teams we need parents/whanau to coach, **No Coach = No Team.** Thank you to the parents who volunteer their time year after year, you are awesome! A notice will come home with all the information.

BASKETBALL
New Zealand

BASKETBALL NEW ZEALAND U13 SKILL DAYS

COST: \$30 PER PLAYER REGISTER AT: [NZ.BASKETBALL/U13SKILLDAYS](https://nz.basketball.org/13skilldays)

Basketball New Zealand will be running a series of U13 Skill Days around the country in partnership with our regional stakeholders and through engagement with our local Associations. These skill days will serve a number of purposes, but most importantly, they will provide us with an opportunity to expose our U13 athletes and coaches to the BBNZ new style of play; by way of familiarizing the athletes with our concepts of play and by introducing games designed specifically to transform our players habits.

Talent ID and player selection has been aligned to the BBNZ player development pathway, providing opportunities for athletes to learn our Style of Play and the skills that underpin our Style of Play are critical to the success of the High Performance Program. The athletes and coaches attending will also be exposed to movement competencies, these are foundational skills (Accelerating, Decelerating, Jumping, Landing, Position Retention ect..) that are essential skills for the developing athletes to learn, understand and adopt.

Glenholme School F.O.T.S. Maths A Thon 2019

Each child will have received a pack which contains the following items:

Maths list for your child's team.

Sponsorship Card including information on the Maths A Thon.

Plastic Bag for the named sponsor card and money to be returned in.

THIS IS A SCHOOL WIDE MATHS A THON.

Help your child while supporting your schools fundraising. It is a great opportunity for the children to gain more confidence in maths, number recognition and numeracy. Encourage your child to learn and practice, practice, practice!

Prizes:

Every child who returns their named sponsorship card and money (from sponsors or from donations) will be entered into the draw.

Prizes will be drawn for each team plus several other draws!

Prizes include:

- Major Prizes include speakers, headphones and a tablet!!
- Family passes to Rotorua attractions
- Movie Vouchers
- And MANY MORE!!

There are businesses we are still waiting on so more prizes are in the offering.

A huge thank you to **Te Puia, Escape Masters, Zorb, Rotorua Duck Tours, Redwoods Treewalk, Lakeland Queen, Novotel, Lone Star, The Wall and Basement Cinema, Buried Village of Te Wairoa, Skyline Rotorua, Reading Cinemas and Cobb & Co.** for offering some great prizes for our Maths A Thon! We hope you've started practising your maths worksheet so you have a good chance of winning one of these amazing prizes.

We're still looking for prizes whanau, so if you have some connections to a business in town that could support our Maths A Thon with a prize we'd love to hear from you! You can give Whaea Min a call on 022 081 8704. Thank you for supporting FOTS and our Glenholme tamariki!

Five Year Old New Entrant Pre-Enrolments

Glenholme School welcomes new arrivals to the school.

Parents of students who live within the home zone and intend enrolling their child at any time during the year should notify the school to assist the school to plan appropriately for the next terms.

We would like to encourage parents to contact Mrs Molly Norton (Deputy Principal) to confirm future student enrolments. To help determine future classroom placements, it is vital that the school has as much information as possible about future students. Enrolment forms are available at the school office or you can contact

Mrs Norton Deputy Principal
