## Welcome

This week we have welcomed our new Caretaker, Matua Andrew to our school. He started work on Monday and has quickly established himself as a valuable member of our staff. Matua Andrew has two children here at Glenholme School so is already part of our school community.

## Book Fair

Thank you to all the tamariki, parents, whanau and staff that made our 'Book Fair' last week a HUGE success. We know everyone enjoyed their time at the book fair and having a look at all the books and bits and pieces that were on sale. Lots of purchases were made which is fantastic because we will receive lots of new books for our school library. A HUGE thank you to Whaea Paula for setting up and packing away the book fair and for ensuring everything was organised and ran smoothly.

## Water Only School

At Glenholme School, we promote a healthy lifestyle to our community – students, staff, and families – as part of our commitment to a safe school environment. Educating students about nutrition and encouraging healthy eating habits contributes to their personal success and wellbeing, and to a healthier community for everyone. At Glenholme School we promote healthy drink choices by providing water and milk as the only drink option for students. Please support this by making sure juice is not included in lunch boxes.

## School Donations

Glenholme School has opted in to the Government's donations scheme. This means we will not ask parents for any donations (gifts/koha), except for overnight camps. The BOT has very kindly covered the cost of overnight camps in the past to ensure that every child is able to take part. Anyone can **choose** to make a donation to the school at any time. Donation tax credits can be claimed and GST is not payable.
