Term 3

Congratulations to Glenholme School students, staff and whanau. Term 3 was a great term of learning in all classrooms. The staff at Glenholme School provided a huge variety of learning experiences and opportunities to challenge our students. Highlights of the term included our tamariki making huge progress in their learning, returning to Level 1 in the last week of term, Winter Sport Field Days, Winter Sports, Senior School Speech Competition, visit from the Firemen and the Saturday Night Fever Production.

To the very hardworking, dedicated and committed Glenholme School staff, have a relaxing and rejuvenating holiday. Thank you for making the term a memorable learning experience for all.

Students, thank you for your commitment and dedication to learning. You make the staff extremely proud of your progress and achievements. Please ensure you have a safe and enjoyable holiday. We look forward to seeing you back here on Monday 12th October.

Next term with the return to Level 1 all of the teams have great plans for trips, Marae visits and lots more learning.

Greats and Grans Morning

This is the first of many exciting events happening next term. On Friday 23rd October Glenholme School classrooms are open in the morning to all our fantastic Grandparents: Nannies, Koros, Kuia, Kaumatua, Omas and Opas. The students will send invitations out to respective family members inviting them into their classrooms in the morning to see them in action and to showcase Glenholme School, and their hard work. The staff and students are looking forward to hosting all of our visitors on the second Friday of next term, before Labour Day weekend.

## Healthy School Lunches Programme

Starting in Term 4 this year Glenholme School will be part of the Healthy School Lunches Programme. Our lunches are being prepared by the Ka Pai Kai Rotorua Charitable Trust.

Next term you will need to send your tamariki to school with a healthy snack for morning tea.

You will only need to send lunch if your child has significant food allergies.

Please do not send your tamariki to school with sweets or chocolate in their lunch box.

A reminder to whanau that we are a **water only school**. Our tamariki can bring a named water bottle to school. Please do not send any other drinks to school with your children.

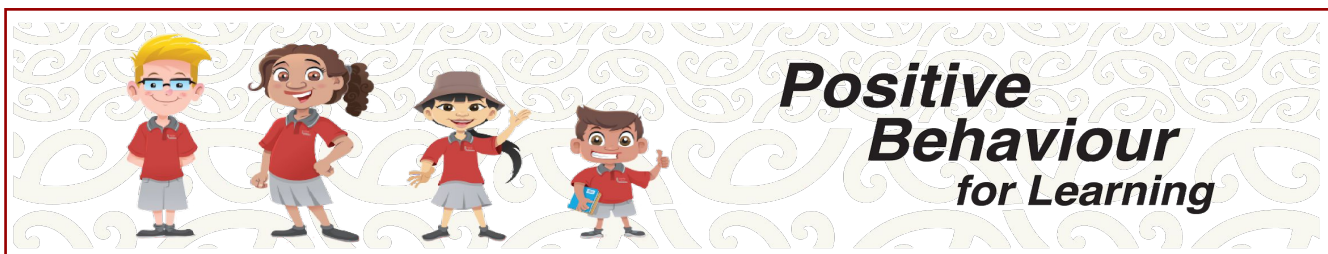

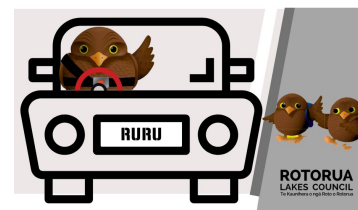

## **\$100 Pak'nSave Voucher** **You could be the winner of a \$100 Pak'nSave voucher.**

Staff members will be giving out tokens during Term 4 for tamariki (and whanau) who are doing the right things when they arrive and leave school each day at the school gates.

- tamariki using the pedestrian crossing correctly
- tamariki walking their bikes or scooters into or out of the school grounds
- whanau parking in the correct place

There will be a box in the office for the tokens.

Find a safe and considerate place to park while you wait for your tamariki

## SunSmart for 2020

It's nearly October already, the spring blossoms are out and before you know it, it will be summer!

From October through to end of April, between 10am to 4pm when the sun's ultraviolet (UV) rays are most intense, Glenholme School will be working very hard to ensure that children under their care are protected from dangerous UV rays. You can support Glenholme School by:

- Providing your child/children with a **School** hat that will offer protection to the neck, ears and face to slap on at school when outside between 10am and 4pm. They have been scientifically proven to provide adequate sun protection.
- You can wear a SunSmart hat yourself as children like to copy you.
- Your child will be encouraged to slop on SPF30+ broad spectrum sunscreen on any skin not covered by clothes. Should you wish, you may opt to supply a labelled bottle with your child/children's name which can be kept at the school.

Remember nearly 80% of lifetime sun exposure happens before the age of 18, so it's important to make sun protection a lifelong habit, starting as young as possible.

## **Netball**

Our junior and middle school netball players enjoyed a fun mini tournament and prize giving on Tuesday. It was a wonderful afternoon and an opportunity for the tamariki to have a run around and play netball after the season was cut short due to covid-19.

Thank you to the parents and whanau coaches who signed up to support our netball players this season - Jenny Packham, Elizabeth Peato, Kyra van der Vlugt, Alyssa, Paige and Brooke Phillips.

Our senior netball team had another fun game after school on Tuesday at St Mary's which they enjoyed. They have a tournament this Sunday 27th September to end the season. Their first game is at 10am. ### **Miniball**

Congratulations to the Glenholme Eruera miniball team for their final win of the season and for taking out the senior A grade competition! Thank you to their coach Eliana Maxwell for coaching and supporting the team the entire season.

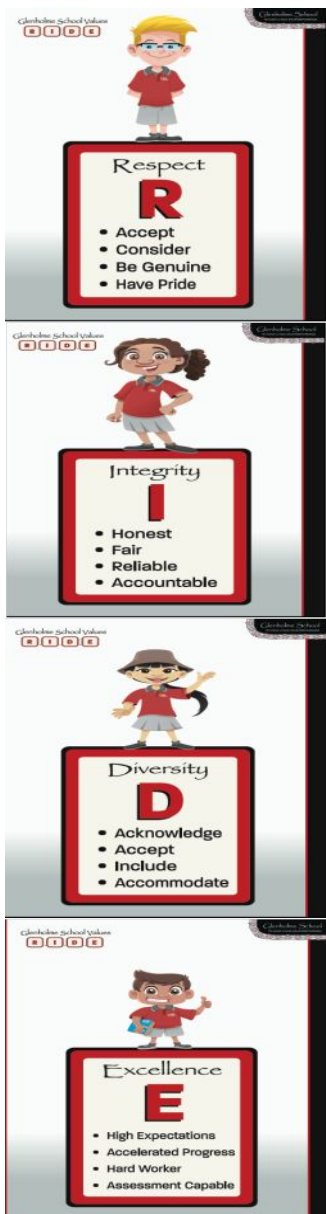

### **Flippa ball**

Unfortunately flippa ball will not be happening during term 4 due to the outside pool being closed for maintenance at Rotorua Aquatic Centre. The teachers in charge of flippball have yet to decide if they will continue with lunch time practices next term so our year 3, 4 and 5 students can prepare for the 2021 flippa ball season. They will let the students know next term once the pool opens.

### **Touch**

Touch will start up again in Term 4 and will run for 8 weeks starting on Tuesday and Wednesday 20th and 21st of October. A grading tournament will be held for all teams registered, on Saturday 17th October. We have registered 5 touch teams for the season.
