FOTS 2021 Annual General Meeting

Monday 12th April 3:15

We Need You.....

We are a friendly and welcoming group of parents who give up a bit of our time to help make the school a better place for our children. FOTS events include school discos, raffles, and sausage sizzles. However, to make these events a success we need your help...

Whether you can offer a little or a lot, we'd love to have you involved. Most of us have other work commitments and we all know the time involved in leading busy family lives too, so whatever you can offer, we would really appreciate it.

The Rotorua Collaborative Screening Project 2021

Our school is very fortunate to be a part of the Irlens and iCept screening project in collaboration with other schools in the Rotorua District, and the Empowered Learning Trust. This means that we have secured funding to access support for students in Year 5 who may have visual and auditory processing challenges, which could be hindering their learning. With this funded initiative we will be able to identify students who need the support and give them daily training to improve their visual processing skills. Notices have been sent out to families of Year 5 students asking for consent to participate in the programme. If parents or caregivers would like further information about this initiative, please contact Min Martin mmartin@glenholme.school.nz or Molly Norton mnorton@glenholme.school.nz
