## LEST WE FORGET

### Principal's Message

Bula vinaka,  
We have had a really busy and exciting term and I wish everyone a safe and enjoyable holiday break.

Thank you to all of our whanau who attended Academic Achievement Discussions during week 9. There was a great turn out from the majority of classes. If you were unable to attend you are welcome to contact your child's teacher to catch up with them.

I am really concerned about some of our tamariki who are arriving at school well before there are any staff on site in the mornings. Some children are here at 7.30am. This is not safe as staff are not here at that time to look after them. A reminder that there is before school care in the hall. Please drop your children off after 8.00am in the mornings if they are not going to before school care.

We have some fabulous artwork in the office foyer this week which has been created by tamariki across the school when they have been working with Mrs James.

Ngā mihi  
Sarah Thompson
